Veterans' Services	53
Water & Sewer Department	22

TOWN OF WILMINGTON

MASSACHUSETTS

BOARD OF SELECTMEN

To the Citizens of Wilmington:

The key to understanding 1983 is to be found in the word, reflection. The Town of Wilmington mourned the United States Marines and others who fell in strife and war-torn Lebanon. It awaited the outcome of the rescue in Grenada, and the release of the Kissinger Report on Central American issues. The Town honored its own with the dedication of the John Fullerton, Jr. monument, at Silver Lake. A portion of the monument is made from the same black granite used in the National Vietnam Veterans Monument in Washington, D.C., the first anywhere to make use of pieces cut from that stone.

An earlier time was remembered in simple stone with the dedication of the monument placed on the Wilmington Common honoring the men of Wilmington who marched to Meriam's Corner on the 19th of April, 1775. The Town, perhaps in less heroic fashion, mourned the deaths of Josephine O'Neil, Christian Bachman, Philip Andrews, Edward Shelley, Ruth Gratcyk, and J. Turner Hood - men and women who actively served the Town of Wilmington in many capacities over the years.

The Town did not only mourn. It celebrated. The Fourth of July was celebrated with a "truly spectacular" fireworks display to quote the Town Crier. Sunday, November 20, 1983, was Aldo Caira Day as the Wilmington Sons of Italy honored its native son and former Selectman, the national president of the Lodge. Safety Officer Robert Shelley was honored as the Good Guy of 1983. The Regional Health Center observed its 5th Anniversary of service to the Town; and, the Wilmington Congregational Church celebrated its 250th anniversary.

Daniel H. Ballou, Jr. was reelected to his second term as Selectman, and Robert L. Doucette defeated A. John Imbimbo to win a seat on the Board of Selectmen.

Early in February, Dr. George Eisenberg resigned as principal of the High School, and Harold Garret was named acting principal. Mr. Garrett retired in August, and Richard DeRosa was named as acting principal of the school. Plans were announced for the renovation of the high school, and $7.2 million was passed for the project at a Special Town Meeting in October. A special election was called for November 22 to vote on an override of Proposition 2 1/2 for the high school project. The voters rejected the plans for the $7.2 million project.

At a special Town Meeting in May, the Town passed a new set of zoning by-laws, along with the first Planned Residential Development, allowing for condominium zoning. The voters, on another occasion, quickly approved changes in the Town's contract with NESWC for solid waste disposal. And, between the Annual and the four Special Town Meetings held during 1983, plans moved forward to move the Town Offices from their historic quarters on Middlesex Avenue to the renovated Glen Road School.

The Annual Report of 1983 highlights the activities of all Town Boards, Commissions, and Committees, as well as those appointed and elected officials. The wide range of concerns is reflected throughout. The Board of Selectmen wish to express their appreciation for the many hours of dedicated service that these groups and individuals have given to the Town of Wilmington.

During 1983, the Town of Wilmington had reason to pause and reflect. It also had reason to celebrate. And, as the Town approaches its Annual Elections and Town Meeting, and the Presidential Elections of 1984, it still has reason to reflect and to celebrate.

Respectfully submitted,

Daniel H. Ballou, Jr., Chairman
Robert J. Cain
Rocco V. DePasquale
James C. Stewart
Robert L. Doucette

Selectmen Robert J. Cain, Rocco V. DePasquale, Chairman Daniel H. Ballou, Jr., James C. Stewart, and Robert L. Doucette

TOWN OF WILMINGTON
MASSACHUSETTS 01887

OFFICE OF THE
TOWN MANAGER

AREA CODE 617
658-3311

The Honorable Board of Selectmen and Citizens of Wilmington:

Alexis DeTocqueville, who wrote the book "Democracy in America" looked very fondly at the New England Town Meeting form of government. He admired the fact that New Englanders were attached to their town and they took pride in it and in creating a free and strong community; and they also spent time in keeping it that way. His attraction to the Town Meeting is summarized as follows: "Town Meetings are to liberty what primary schools are to science; they bring it within the people's reach. They teach men how to use it and how to enjoy it." In 1983, the townspeople had the government of the town brought within their reach on five occasions; i.e., the town had one Annual Town Meeting and four Special Town Meetings. At these meetings, it was voted to approve the revised NESWC Solid Waste Disposal Agreement. At the Annual Town Meeting in April appropriations were voted for the operation of the town departments and the School Department, as well as numerous capital outlay requirements. The third Town Meeting was held in May to approve the town's new zoning by-laws and to accept a planned residential development section which allows for condominiums within the town. The fourth Town Meeting dealt with additional appropriations for various departments and finalized the town's budget for fiscal year 1984. This meeting also rezoned approximately 100 acres on Ballardvale Street from Rural to Industrial. The fifth Town Meeting witnessed the approval of the $7.2 million renovation and addition project to the Wilmington High School. However, at a Special Town Election held in November the voters defeated the debt exclusion necessary for the funding of this project.

If Alexis DeTocqueville could have attended any one of these five meetings, he would have been impressed with the vigor and spirit which was exuded by the those present and voting. Those who participated in these town meetings knew at the end that they had had a hand in guiding the direction of the town for at least the next year and, in some cases, many years to come. Specifically, the following highlights from 1983 Town Meetings deserve to be noted:

- The town has started on a five-year Capital Budget Program to replace and maintain the town's infrastructure on an annual basis.

- At the town meeting in May, it was voted to replace certain water lines in North Wilmington, using town funds and a state grant.

- The Department of Public Works was created by the consolidation of four departments into one: Highway Division, Tree Division, Cemetery Division, and Parks and Grounds Division.

- Funds were provided for a data processing study of all town departments. The result will be to upgrade the town's data processing capabilities through the use of computers. This data will provide the basis for a management information system. This will give the town administration the data necessary to manage the town now and in the years to come.

- The Board of Selectmen voted to stabalize the residential tax rate at $19.95. However, it was increased to $24.68 for commercial, industrial and personal property taxpayers. The town's total valuation was increased from $572,038,000 to $581,506,000 due to the increase in industrial and residential development.

The year 1983 would not be complete without citing the progress made on various ongoing projects.

Early in the year, residents and industry were allowed to connect to the Silver Lake Interceptor Sewer. Also, a sewer station was opened on Main Street to allow approved private septic haulers to pump septic into the town's sewer system under controlled and supervised conditions. The Board of Selectmen and the County Commissioners held several hearings regarding Aldrich Road in order to straighten, widen, and remove the extreme curves. The residents of Aldrich Road had considerable input into the final design and layout. The Ballardvale Street project, funded by a Public Works Economic Development grant, was dealt a temporary set-back by the Secretary of Environmental Affairs. The State is requiring an Environmental Impact Report due to the additional traffic which will be generated by the increased industrial development on the road. The additional time needed for the Environmental Impact Report will delay the project by several months. The Town has been successful in linking the opening of the New Boston Street Bridge with the completion of the Route 129 project. The traffic from North Woburn would have direct access to Route 129 and I-93, and avoid the thickly settled residential area on Woburn Street. Finally, the Water & Sewer Commissioners are working on the design and engineering of a water treatment plant in North Wilmington. This plant will provide residents of that area with better quality water than they are now receiving.

The year 1983 was one of dedication and celebration. In June, the Town dedicated a memorial at Silver Lake to John Fullerton, a soldier killed in Vietnam. Over the July 4th holidays, the town again had a very lively and spirited celebration. In October, the Town acknowledged the 300th anniversary of the Congregational Church in Wilmington. In December, the christmas tree lighting on the town common was exceptionally beautiful due to the festive effect created by the increase in number of multi-colored lights.

I wish to acknowledge that the progress made in 1983 is due to the leadership provided by the Board of Selectmen, and other boards, committees and commissions. The high quality of the services delivered by Town departments is due to the professionalism of our department heads and the hard work of our employees.

DeTocqueville recognized that the towns of New England possessed two advantages which strongly excite the interest of mankind; namely, independence and authority. Your participation in both the Annual Town Election and Meeting will help to insure that this independence and authority will continue for the generations to come.

Respectfully submitted,

Reginald S. Stapczynski

Reginald S. Stapczynski

Town Treasurer

GENERAL FUND

Cash on Hand 7/1/82	$ 1,568,506.79
Receipts Fiscal 1983	60,971,033.47
Disbursements Fiscal 1983	-60,319,115.72
Cash on Hand 6/30/83	$ 2,220,424.54

REVENUE SHARING

Cash on Hand 7/1/82	$ 104,109.42
Receipts Fiscal 1983 (including earnings)	519,381.72
Disbursements Fiscal 1983	-622,637.70
Cash on Hand 6/30/83	$ 853.44

During calendar 1983, it was necessary to borrow once in anticipation of tax revenue.

INVESTMENTS

During calendar 1983, the program of investing idle funds in Certificates of Deposit, U.S. Treasury Note repurchase agreements, and daily interest accounts was greatly affected by the continuous drop in interest rates. The results were as follows:

Designation of Funds	Calendar 1983 Earnings
Revenue Sharing	$ 12,707.81
General Funds	
Investments	113,867.75
Daily Interest Accounts	160,747.30
Total Calendar 1983 Earnings	$ 287,322.86

The cash flow and investment program is greatly assisted through the cooperation of the Town Accountant, Dorothy Peters (by projecting estimates of warrants), and the Town Collector, Marion Murphy (by timely advice of Collector's deposits). The Treasurer thanks these people sincerely.

		$12,870,141.20

Board of Registrars

In accordance with Section 1, Chapter 3 of the Town By-Laws, meetings of the Board of Registrars were held on the second Monday of each month for the registration of voters and to conduct business. Under Chapter 616 of the Acts of 1958, these meetings were open to the public and press, and it is so posted in the Town Hall.

The Board held registration periods as are required by law for the Annual Town Election & Town Meeting of April 16, 1983, the Special Town Meetings of March 28, May 16 & 17, September 19, October 24, and the Special Town Election of November 22, all in 1983.

The Town Clerk attended most of the conferences in order to keep up with the changing election laws.

The 1983 calendar year ended with 9,193 registered voters.

The Board of Registrars urges all citizens of the Town to please return CENSUS forms each year for a true census count. A true census is an asset to the Town.

Town Clerk

Vital Statistics - Chapter 46, General Laws as amended:

Births - Final figure for 1982	214
Births - Actually recorded for 1983	207
Marriage Intentions recorded for 1983	158
Marriage recorded for 1983	156
Deaths recorded for 1983	121

Chapter 46, Section 15:
The Town Clerk will furnish to parents, householders, physicians, and registered hospital medical officers applying therefor, blanks for the return of births as required by law.

Chapter 207, Sections 19,20 & 40:
Chapter 718, Acts of 1979 made changes to Sections 19, 20 and 40. Couples intending to marry are advised to inquire at this office regarding these changes.

Chapter 207, Section 45:
This chapter provides for the availablility of marriage records:

Chapter 114, Section 45, 46:
Forty-seven burial permits have been issued by the Town Clerk as Special Agent to the Board of Health for the year. Seven out-of state deaths were reported and filed in this office. Twenty Wilmington Veterans were buried in Wildwood Cemetery.

TOWN RECORDS

Permits and Certificates of Registration for the Storage of Inflammables:
Inflammable permits are issued by the Board of Selectmen through the Town Clerk. Notice is sent to owner or occupant of the land where the storage is located on or about March 15th for renewal by April 30th of each year. If not registered on time or failure to comply with the Boards regulations may result in revocation of the permit after a public hearing.

One hundred and nine Flammable permits were issued during the year.

Permits & Recordings:

Uniform Commerical Code recordings	407	Business Certificates issued	56
Uniform Commerical Code terminations	44	Business withdrawals	0
Federal Lien recordings	6	Fish and Wildlife licenses	986
Federal Lien releases	0	Pole locations	9
Dog licenses issued	1,517	Medical registrations	11
Duplicate dog tags	15	Raffle & Bazaar permits	13

Other Services:
By virtue of her office, the Town Clerk is clerk to the Board of Registrars.
In this capacity, she has met with the Board of Registrars on a regular monthly meeting night as well as special meetings, kept the minutes of same up to date, supervised the Annual Town Census by mail, kept the voting list up-to-date, and registered voters during the regular office hours of the Town Clerk. She also meets with the Board for Special evening sessions to register voters and to certify nomination papers for candidates.

Fire Department

It is my pleasure to submit the following Annual Report of operations, activities, and to reflect the accomplishments of the Wilmington Fire Department during the year 1983.

The manual force consists of Chief, two Deputy Chiefs, four Lieutenants and twenty-eight Privates. There is a call force of twelve members. The department responded to a total of one thousand five hundred ninety-eight (1,598) calls during 1983.

Residential Buildings	10	Out of Town Assistance	15
Commercial Buildings	2	False Alarms or Needless Calls	159
Chimney, Fireplaces & Woodburning Stoves	20	Rescue and Ambulance	799
Vehicles	73	Service Calls	275
Brush, Grass, or Rubbish	245		

Estimated value of property endangered was $10,163,550. Estimated property loss was $176,500.

The following is a list of permits issued:

Smoke Detectors	260	$1,300
Oil Burners	90	450
Propane	38	190
Blasting	33	165
Fire Report	11	55
Smokeless Powder	2	10
Flammable Liquids	28	140
Black Powder	2	10
Trans. of Flammable Liquids	4	20
Underground Tanks	3	15
Fireworks	1	25
Model Rocket	3	15
Gun Powder	1	5
Fire Alarm	10	50
Total		$2,450

As required by law, inspections of all schools, public buildings, and all flammable storage were made.

The Fire Alarm division made all necessary repairs to the fire alarm system testing of all fire alarm boxes for proper operation and maintenance of all working parts. Ninety-two changeovers were made to new poles. Replacement of old wire with new R.C. wire. Put up one mile of new R.C. wire on Andover Street. Inspected new installation for proper apparatus to be used in conjunction with the municipal system.

I wish to extend my thanks to the staff and members of the Wilmington Fire Department for their support during 1983.

Department of Public Works

In accordance with the By-Laws of the Town of Wilmington, I hereby respectfully submit the Annual Report on the activities of the Wilmington Department of Public Works for the year 1983

In October, 1983, the duties and responsibilities of the Grounds Department, which was under the control of the Public Buildings Department, was consolidated into the Department of Public Works. We now have four (4) divisions in the Department of Public Works: Highway, Tree, Cemetery and Parks & Grounds. The coordinating of all activities of the divisions within the Department of Public Works will allow the Town the optimum use of equipment, manpower and materials.

HIGHWAY DIVISION

All the regular highway maintenance work was carried out during the year, such as sweeping streets, erection of street and warning signs, patching streets, cleaning catch basins, picking up trash along our roadsides, painting and replacing guardrails, etc.

Drainage

Drainage systems were installed, repaired or extended on the following streets: Parker & Adams Street (not finished), Cypress Street, Oakdale Road, Deming Way, Adelaide Street, Chestnut Street, Glen Road and Carter Lane. Many more drainage problems still exist. A study is being done by the Engineering Department to resolve these problems.

Snow & Ice Removal

The Highway Division recorded 55 3/4" of snow, which is above average snowfall for the area. Snow and ice removal still remains a major and very expensive problem.

Chapter 90 Maintenance & Hot Top Program

Middlesex Avenue from Woburn Street to the North Reading line was upgraded under this program.

TREE DIVISION

The Tree Division carried out its routine work trimming, cutting and removing trees on various streets. We had to remove 70 roadside trees that were dead or interfered with public safety. Hornets' nests were removed upon request from residents.

Dutch Elm Disease

Elm tree samples were taken and sent to the University of Massachusetts for testing. As a result, we removed nine (9) diseased trees.

Insect Pest Control

As in the past, spraying was done to try to control gypsy moth, elm leaf beetles, ticks, clinch bugs, Japanese beetles, pine saw flies, Eastern tent caterpillars and the fall web worms. Spraying was also done to control the spread of poison ivy.

Mosquito Control

Mosquito control as in the past was done between the hours of 8:00 p.m. to 12:00 a.m. with a U.L.V. generator. Larvaecide was put in all trapped water holes.

CEMETERY DIVISION

All regular maintenance was carried out throughout the year, such as mowing grass, winter graves were loamed and seeded, weeding, trimming and foundations were installed for monuments, etc.

CEMETERY DIVISION (continued)

Cemetery employees reset monuments that were tipped over by vandals.

This year all grave flush markers were raised to ground level.

All Veterans' Parks in the Town were maintained throughout the year.

Burials		Receipts	
Died in Wilmington	17	Interments	$14,505.00
Died elsewhere	46	Foundations for monuments	2,177.75
Non-residents	38	Affidavits	10.00
Cremations	10	Deeds	73.00
Transfers	3	Copy of deed	4.00
	114		$16,769.75

Reserve		Trust Fund	
Sale of Lots	$15,519.00	Perpetual Care	$16,494.00

PARKS AND GROUNDS DIVISION

The Town beach area was upgraded again this year with the removal of subsoil and replaced with sand. The beach areas were raked and kept clean for summer use.

Little League Park: New drains were put in under the infield to allow for better drainage. We kept the park mowed and the diamond graded and rolled during the season.

The Town Common & Rotary Park were kept mowed and free of litter.

A new Veterans' Park dedicated in memory of John Fullerton, Jr., was constructed at Silver Lake.

Started construction of new ballfields behind the Glen Road School. This project will be finished in the spring.

In concluding my report, I would like to take this opportunity to thank the Police Department for keeping us informed during the winter months of the road conditions between the hours of 3:00 p.m. and 6:30 a.m. weekdays, weekends and holidays; the Water Department for their help during snow storms, and all the various departments for the cooperation extended during the year. I would also like to thank the Town Manager and Board of Selectmen for their support throughout the year. Last, but not least, to the employees of the four divisons of the Department of Public Works who made 1983 a very productive year, my sincere thanks and appreciation.

Police Department

The enclosed statistical report represents the total for all crimes, complaints and incidents reported during 1983; and, for the most part the corresponding enforcement efforts of the Wilmington Police Department. During 1983 the total number of complaints,and incidents reported to the Police Department decreased by 32 complaints from 11,494 in 1982 to 11,462 during 1983. For the most part this slight decrease is spread throughout the various classifications for crimes and complaints. The only major crime category showing an increase was sex related offenses which increased by 48% from 31 in 1982 to 46 during 1983.

Motor vehicle accidents continues to be a serious community problem. Total accidents increased by 20 from 1,156 in 1982 to 1,176 during 1983. Although this increase is relatively small, it is very significant in light of the departments traffic enforcement efforts during 1983. The total number of motor vehicle violations cited during 1983 increased by 98% from 1,045 in 1982 to 2,065 in 1983. The major part of this increase, resulted from radar assignments which increased the number of speeding violations cited by 222% from 328 in 1982 to 1,056 in 1983. Another significant increase was the number of arrests for operating under the influence of alcohol which increased by 31% from 85 in 1982 to 112 during 1983. Due to the seriousness of this problem the Police Department will continue to make highway safety a top priority during 1984.

The department makes note of some personnel changes during 1983. Patrolman Joseph Cuoco retired after more than thirty years of service with the department. We all wish Joe health and happiness in his retirement.

Also during 1983 Patrolmen James Peterson, Maureen Matarese and Steven LaRivee were appointed to the police department.

Wilmington, this year was instrumental in establishing the Northeast Regional Police Institute, located on the Tewksbury Hospital grounds. The Institute is designed to provide in-service training to over 700 police officers from the seventeen member cities and towns. Courses include Criminal Law, Officer Survival Techniques, Crime Scene Search, Civil Liability, Motor Vehicle Law Updates, Stress and Crisis Intervention and much more. All officers are required to attend a one week session every year to bring them up to date in the latest changes in the law.

In closing this report I want to thank the Town Manager, the Board of Selectmen, all other boards and committees, all department heads and their workers for their support and cooperation in 1983.

A special note of thanks to the staff and members of the Wilmington Police Department, for without their support and continuing efforts none of our accomplishments could have been realized.

WILMINGTON POLICE DEPARTMENT - 1983 STATISTICS

ARRESTS:

Assault & Battery	34
Breaking & Entering	19
Curfew Violations	1
Disorderly	5
Forgery	1

License to Carry Issued	356
Dealers Permits for Sale of Firearms/ Ammunition/Gunsmith	5
Permits for Machine Gun	1
Reports to Insurance Co., & Attorneys	444

Permanent Building Committee

The Permanent Building Committee spent the year actively pursuing plans to renovate the High School.

To that end, we held 30 committee meetings and in addition, met with the Board of Selectmen, Finance Committee, School Committee, Recreation Department and School Building Assistance Bureau (SBAB), for the purpose of formulating plans and design.

At the Annual Town Meeting on April 23, 1983, the PBC presented a motion to have the Town appropriate $35,000 to obtain the services of an architect to prepare preliminary design plans for the renovation project of the High School.

After the appropriation was approved, the PBC proceeded to follow the State guidelines for selecting an Architect. After an extensive selection process, the Committee, on June 8th, voted to retain the services of the Design Partnership of Cambridge.

Throughout the summer, the PBC met regularly to formulate preliminary design plans and budget costs for the project. After many long working sessions, plans were submitted to the SBAB and the Town on September 7th. A budget of $6.5 million was submitted for the total project. The project consisted of renovations to the existing building and additions to the gym, cafeteria and library/art facilities.

Pamphlets were prepared by the PBC and sent to each household describing the project in detail in the hopes that each registered voter would be knowledgeable of the project. The PBC members attended PAC meetings at each school to describe the project. In addition, a Public Hearing was held on October 17th for informational purposes.

On October 25, 1983, a Special Town Meeting was held at which the PBC presented their proposed improvements. An amendment to the article was made by the Board of Selectmen to increase the scope of work by adding an expanded gymnasium to the original plan, thus increasing the bonding amount to $7.25 million. The article was approved as amended by the voters.

Since the bonding of the project exceeded the limits of Proposition 2 1/2, a Special Election had to take place for an override in order to allow the town to bond for the project. On November 22, 1983 a Special Election was held. Unfortunately, the townspeople refused to override Prop. 2 1/2 for this one project only, and therefore, the plans for final design had ceased. Plans are now being formulated by the PBC to re-evaluate their preliminary design and return to the Annual Town Meeting with another article.

It is the feeling of the Committee that improvements are needed at the the High School and we will spend 1984 attempting to get the voter's approval so work can begin.

Conservation Commission

In its twentieth year of active service to the town, the Wilmington Conservation Commission's busy schedule included 27 regular meetings, 29 Wetland Protection Act hearings, and over 1,000 on-site inspections. Members have attended various conferences with the Department of Environmental Quality Engineering in Boston and Woburn and numerous on-site inspections with DEQE officials, Army Corp of Engineers, and MEPA officials. In addition to actual hearings, and as a courtesy, much of the Commission's time is spent in consultations and on-site review with prospective applicants at their request, and as a means of explaining wetland considerations.

In order to encourage cooperation and maintain communication on projects of mutual concern, members attend many meetings of other boards. On a regional basis, participation and membership in a number of environmentally related organizations, such as, Massachusetts Associations of Conservation Commissions, Environmental Lobby of Massachusetts, Conservation Law Foundation, Ipswich River Watershed, Mystic River Watershed, all provide valuable information and opportunities for exchange of ideas and sources of help, which enables the Commission to carry out its responsibilities more effectively.

New Wetlands Protection Act Regulations under Massachusetts G.L. Chapter 131, section 40 went into effect on April 1, 1983. There were various meetings with DEQE, as well as MACC, both prior and since the regulations became effective. Emphasis were stressed on the increased responsibilities on the applicant's engineers to present complete and accurate site designs to satisfy all criteria and calculations set forth in the new regulations. Conservation Commissioners were advised that their responsibilities would require increased technical awareness in evaluating the scientific evidence presented by an applicant in order for them to apply the legal presumptions set forth in the "new regs".

To basically summarize, it was clear and evident that there would be less flexibility, both for applicants and for the Conservation Commission. Improperly designed projects and projects that do not conform to the new regulations will have to be denied.

The Commission and the town would like to thank individuals who have donated land to the town specifying its use for conservation and thus assured that the land will remain in its natural condition, while receiving certain tax benefits as a result of the gift. This year the town received gifts of land totaling approximately 12 acres from the MacDougall's, Babine's and Smith's.

We wish to thank all the concerned individuals who have generously assisted the Commission to carry out its duties and responsibilities in the past year.

Water and Sewer Department

PUMPING STATISTICS

WATER SUPPLY	1979	1980	1981	1982	1983
Maximum Gallons Per Day	4,065,000	3,666,000	4,218,000	4,450,000	4,326,500
Maximum Gallons Per Week	19,732,000	23,218,000	24,887,000	26,692,700	26,660,900
Maximum Gallons Per Month	105,641,000	97,731,000	100,441,000	101,011,700	104,475,400
Average Gallons Per Day	2,954,000	2,848,000	2,901,976	3,772,883	2,980,879
Average Gallons Per Month	89,870,416	86,620,000	88,268,441	92,488,167	90,668,408
Total Gallons Per Year	1,078,445,00	1,039,440,000	1,059,221,300	1,108,858,100	1,088,020,900
Annual Rainfall	45.47"	37.72"	42.82"	46.28"	57.33"
CONSUMPTION STATISTICS - GALLONS					
Residential Use*	335,287,725	346,379,925	352,998,750	363,966,930	427,627,545
Percent of Total	40.0%	41.5%	43.0%	44.3%	49.5%
Industrial Use	492,740,925	487,441,200	466,973,085	456,183,090	435,669,405
Percent of Total	59.0%	58.4%	56.9%	55.6%	50.5%
Total Water Metered	828,028,650	833,821,125	819,971,835	820,150,020	863,296,950
Percent of Water Pumped**	77.0%	80.3%	77.4%	73.9%	79.3%

*Residential use includes small commercial users, that is, all water passing through 5/8" meters only.

**The difference between the water pumped and the water metered, 224,723,950 gallons in 1983, represents water used for flushing of water mains, for fires and other hydrant uses, and water lost due to breaks and leakage throughout the system.

The Water Treatment Plant supplied approximately 50% of the total water pumped. Water was supplied to the Town of Tewksbury throughout the entire year.

Since 1979 industrial consumption has decreased and now accounts for 50 percent of all water used versus 60 percent in 1979.

WATER DISTRIBUTION SYSTEM

The following new mains were constructed during 1983:

Street	No. of Feet	Size	Hydrants
Aldrich Road	571'	6"	1
Garden Avenue	190'	6"	0
Beverly Avenue	310'	6"	1
Woburn Street	30'	6"	0
Blanchard Road	750'	8"	2
Mozart Avenue	600'	8"	1
Carmel Street	222'	8"	0
West Street Ext.	507'	6"	1

In addition to the above, construction began on the replacement of undersized mains in North Wilmington. The cost of the construction is $521,000. The project, which is being partially financed by a grant from the State, will be completed in the spring of 1984.

A leak detection survey of the water system was conducted in 1983. Minimal leaks were detected and subsequently repaired.

444 tamper-proof meters were installed in 1983 continuing our conversion program to this type of meter throughout the Town.

WATER QUALITY

Our townwide Hydrogeological Study was completed. We began a feasibility study for a new water treatment plant in North Wilmington. This study will serve as the basis for design of the facility. An article was submitted at a Special Town Meeting in the fall to sell a parcel of land on Route #125 in North Wilmington. The proceeds from this sale were going to be used to help finance construction of the proposed Water Treatment Plant. Unfortunately the sale did not receive the necessary two-thirds vote for passage. We have applied for a State grant to purchase aquifer protection land around one of our well sites.

In 1983 aerial photographs of the entire town were flown at the expense of the Water Department.

SEWER SYSTEM

In the spring we began accepting applications to tie into the new sewer system. The Town won the arbitration suit against the contractor on Contract #2.

The septage Station on Main Street was opened on June 6, 1983 and is used as a dumping station for the septage haulers.

Council on Aging

Many programs and social services have been developed over the years for the elderly citizens of Wilmington. In the year 1983 new services have been added and old ones have been improved. With a continual increase in the cost of necessities of life, the older people are turning more and more to the Council on Aging for help.

Members of the Council on Aging are appointed to serve the elderly by the Board of Selectmen. The Board is comprised of men and women, young and old. In 1983 the Council on Aging under the Chairmanship of Josephine Kelley, Vice Chairman Margaret McNeill, Secretary Ann Knowlton, Treasurer Lillian Brown are happy they were able to assist the elderly in many areas of need this year.

Funding to meet the needs of the elderly were obtained from the Council on Aging budget voted upon at the Annual Town Meeting and the following:

$ 92,250	Fuel assistance, oil burner repairs and weatherization from the Federal and State Fuel Assistance Program.
$130,450	In-home care services for our ill and frail elders confined to their homes from Minuteman Homecare Corporation.
$ 11,480	Legal help from the Cambridge/Somerville Elderly Legal Services.
$ 15,000	Council on Aging budget for the Elderly Hot Lunch Program. 10,156 hot meals were delivered to shut-in elders and 4,757 meals were served to seniors at the West Intermediate School Lunch site.

Visiting nurse care was provided by the Stoneham Visiting Nurse Association.

The Council applied and received from the Department of Elder Affairs in 1983 a Grant of $1,671.00. The money was used to purchase new furniture for our Medical Room, allowing us to expand our Health Clinic. Board of Health nurse Abbie Radley checked 480 blood pressures, gave 77 diabetic test, 110 flu and 13 pneumonia shots. Podiatrist Dr. Kenneth Leavitt checked the feet of 32 seniors. Fred Gerulskis, hearing aid specialist, checked the hearing of 63 seniors and Optometrist Dr. Paul Gould checked the eyes of 24 seniors.

The Council on Aging operates a minibus for the elderly. This year we transported seniors (8,480) to doctors, dentist, hospitals and other elderly related travel.

The elderly people join together at the Senior Citizen Drop-in-Center. The Center has been generously donated to the seniors by Mr. Mike Demoulas of Demoulas Supermarkets. In the year 1983, help and companionship was sought 23,281 times at the Drop-in-Center.

The Coordinator works out of the Drop-in-Center helping seniors seeking counseling, homemaking, visiting nurses, chore workers, food stamps, Medicaid, Social Security, and S.S.I. (Supplement Social Security Income). She also oversees the operation of programs implemented to keep our seniors active and healthy with activities such as bowling, walking, exercise, dancing, swimming, bi-monthly whist parties, arts and crafts sessions and a monthly therapeutic social.

Programs have also been organized for our seniors living alone and confined to their homes or nursing homes. The purpose of Vial of Life, Friendly Visitors, Widows to Widows, Sunshine Ladies, S.P.A.N. (Senior Postal Alert Network) and Senior Volunteers is to let our shut-ins know they are not forgotten

The Council is very grateful for all the donations received in 1983. Meeting the needs of the Town elders was made easier by the following donations: A Senior Center donated by Mr. Mike Demoulas, all plastic articles for the Center from Sweetheart Plastic Company, sugar and table napkins from Diamond Crystal Salt Compnay, food for Christmas baskets from the employees of Compugraphic Corporation, mimeograph machine from Olin Corporation, Christmas gifts from the students of Wilmington High School, daily supply of pastries from the Yum Yum Shop, bulletin boards from the Shawsheen Valley Technical High School, donations of money from the Rotary and Kiwanis for the bi-monthly whist parties, Christmas donations of money and food for our shut-ins from Mr. John Lucci, Father Reynolds of St. Thomas Parish and the Police Department.

Dinner socials were received from Sweetheart Plastic Company, Tewksbury-Wilmington Elks, Kiwanis Club, American Legion Post 136, Father McAndrews of St. Dorothy's Parish and the Women's Club of St. Thomas.

Town Engineer

I hereby submit the Annual Report for the Engineering Department for the year 1983.

Evaluation of Work Load

An examination of the work load for the Engineering Department reveals that we spent our time this year as follows: 15% Highway Department, Construction Projects; 20% Water and Sewer Board, Construction Projects; 30% Planning Board, Subdivisions; 15% Town Wide and Future Projects; 10% Town Manager and Selectmen; 10% All Others.

In-House Procedures

The up-dating of Assessors' maps continues to be a problem which requires a large part of our time. Current up-dated Assessors' maps are a valuable tool for the town's citizens and other town departments, boards and commissions.

Projects for the Year

Subdivision streets started in the early 1970's which have been substantially completed in the past year were Andrew Street, Houghton Road, Jewel Drive, Jonspin Road, and Upton Drive. In addition, several streets constructed each year under Official Map Variances and adding the newly adopted site plan review will require more departmental inspection time.

Conclusion

The department continues to adjust time and resource priorities to better serve town-wide interests.

Public Buildings Department

Major projects accomplished during 1983 were:

Additional electrical outlets and wiring was provided for computers at the High School, North Intermediate and West Intermediate Schools.

The sound system was set up and operated for the Annual Town Meeting and Special Town Meetings.

Voting machines were programmed and set up for the Town election and override vote. Maintenance personnel acted as voting machine mechanics.

New kitchen cabinets, ceilings and lighting were installed on the second floor of the Fire Station.

The Swain School was closed, furniture, equipment and supplies were moved to other buildings.

Asbestos was removed from ceilings at the Boutwell Street School and the building was repaired prior to leasing the building to the First Baptist Church.

Asbestos in ceilings at the Wildwood Street School was encapsulated.

A press box and broadcast tower was built at the High School football field.

On October 1, the Grounds Crew was transferred to the Department of Public Works, along with the responsibilities for maintenance of grounds and athletic fields.

Work was started on converting the Glen Road School to the Town Hall. The transfer is expected in the spring.

The small cafeteria in the High School was divided with a concrete block wall to provide space for the Universal Gym and other exercise equipment.

Many thanks to the personnel of the Public Buildings Department for a job well done during 1983.

Also, my appreciation to those departments that provided assistance to the Public Buildings Department during 1983.

Library Trustees

During the year 1983, despite severe cuts in the budget allowed, it is the belief of the Board of Trustees that an acceptable level of library service has been maintained. We are not satisfied with this level of service, particularly in the area of the hours that the library is open to the public, but we realize that we must live within the constraints of the budget and we will continue to do so.

The erosion of our purchasing power in the areas of materials and books (31 percent since 1980), due primarily to inflation has been felt by the Library, as well as each and every one of us as individuals. But this is not, in our opinion, to be considered as an excuse to reduce the service which should be supplied to the taxpayers of Wilmington. Alternative measures must be implemented. These measures are available. For example, a computer tie-in with the Andover library could make instantly available the books available to the residents of both towns, thus resulting in a reduction in the cost of purchasing books for both towns. It is our hope that the support of the town will make this possible in the near future.

We are extremely proud in the quality and dedication of the library staff and in its Director, with an average of over ten years of service to the town for all employees. Without them, Wilmington would have no Library, instead of the excellent one we have.

Library Director

In accordance with the statutes of the Commonwealth of Massachusetts and the By-Laws of the Town of Wilmington, the annual report of the Memorial Library with its compilation of statistics for 1983 is submitted herewith.

The pattern set in 1981 continued with an erosion of purchasing power, and a continuation of the restraints of municipal economics. The budget for library materials was 31% less than in 1980; and $1.32 was needed to do the work of $1.00.

Overall circulation declined by 3,120, while the 1983 summer reading program entitled "Rainbow" generated the highest recorded circulation and attendance for the Children's Department. Reference and reader service statistics increased to 6,843. The Circulation Department processed 3,822 reserve requests; and mailed 4,195 notices involving 7,840 overdue items. The sum of $4,495.50 in receipts was transfered to the Town Treasurer.

The Town of Wilmington has a considerable investment in its physical plant, in its book stock; and, yes, in its library staff. The average length of service of the seven full-time staff members is 9.86 years, with the majority serving over ten years. The Library Director gratefully acknowledges the staff's dedication and commitment.

Library Statistics for 1983

Number of days open during 1983			293

Receipts transferred to Town Treasurer			$4,495.50

Planning Board

The Wilmington Planning Board is established pursuant to Mass. General Laws, Chapter 41 and consists of five volunteer members appointed by the Town Manager under the provisions of Chapter 592, Section 12 An Act Establishing a Town Manager Form of Government for the Town of Wilmington.

Joining the Board in January of 1983 were two new members, Carole S. Hamilton and Albert F. Reidy, Jr. In June, however, the Board reluctantly accepted the resignation of Arnold C. Blake who over the past five years was a great asset to the Planning Board. The Planning Board continues to meet weekly on Tuesday evenings in the Town Hall Annex with the Planning Coordinator maintaining office hours four days per week.

SUBDIVISION CONTROL:

1983 saw a resurgence of subdivision activity in the Town of Wilmington. In accordance with Mass. G.L. c. 41 and the Rules and Regulations Governing the Subdivision of Land in the Town of Wilmington, the Planning Board ws kept busy reviewing the following plans:

Thirty-seven (37) Plans Believed Not to Require Approval were submitted; the Planning Board found that 35 plans did not require approval under the Subdivision Control Law and therefore were endorsed; 1 plan was withdrawn without prejudice and 1 plan was found to require approval and therefore was denied for cause.

The Board collected a total of $5,868.40 in filing fees from the following new subdivisions proposed for the Town of Wilmington:

- Babcock Estates Preliminary Subdivision Plan - A three lot subdivision off Nickerson Avenue was approved with conditions.
- Oakland Park Preliminary Subdivision Plan - A seven lot subdivision off Nichols Street, was approved with conditions.
- Blanchard Road Definitive Subdivision Plan - A nine lot subdivision off Kendall Street, was approved and endorsed.
- Middlesex Pines Definitive Subdivision Plan - A ten lot subdivision off Middlesex Avenue, was approved with conditions.

  Great Neck Drive Definitive Subdivision Plan - A seven lot subdivision off Woburn Street, decision of the Board pending.

ZONING:

The Planning Board and the special Zoning Advisory Committee continued to hold informational and public hearings on the proposed New Zoning By-Law, which was subsequently adopted by the town at a Special Town Meeting in May.

In accordance with Mass. G.L. c.40A, the Planning Board held required statutory public hearings on proposed amendments to the Zoning By-Law and Map and submitted formal reports and recommendations to Town Meeting as follows:

Town Meeting Date	Article	Proposed Zoning Amendment	Planning Board Recommendations	Town Meeting Action
04-23-83 - Annual	20	Rezone from SRA to GB - Lowell Street	Approval	So Voted
04-23-83 - Annual	21	Rezone from SRA and GB to IND - Concord St.	Approval	So Voted
05-16-83 - Special	1	Adopt new Zoning By-Law and Map	Approval	So Voted
05-16-83 - Special	2	Add Sec. 7 PRD District to new Zoning By-Law	Approval	So Voted
09-19-83 - Special	2	Rezone from R60 to GI - Ballardvale Street, Tambone	Disapproval to GI - Approval to IP	So Voted to GI
09-19-83 - Special	3	Rezone from R60 to GI - Ballardvale Street, Howland	Disapproval to GI - Approval to IP	So Voted to GI
10-24-83 - Special	2	Rezone from R60 & GI to IP - Rt.125 DRC	Approval	Lost
10-24-83 - Special	6	Rezone from R10 & R20 & GB to all GB Main St., Wilmington Ford	Approval	Lost

PARKING SITE PLAN REVIEW:

The Board reviewed 15 parking plans under the old Zoning By-Law in 1983 and 8 Parking Site Plans in accordance wth Section 6.5 (Site Plan Review) of the New Zoning By-Law. Respective recommendations were made to the Town Engineer.

SPECIAL STUDIES:

In the summer of 1983, the Planning Board contracted the services of Planning Consultant, Kevin Hurley to prepare Rules and Regulations for the Planning Board Acting as a Special Permit Granting Authority for Planned Residential Developments; and to begin work on amending and updating the Rules and Regulations Governing the Subdivision of Land in the Town of Wilmington.

The Planning Board wishes to extend their thanks to its advisor, the Town Engineer, Robert L. Higgins and its coordinator, Sandra L. Murphy for their assistance throughout the year.

Town Counsel

In accordance with the requirements of the Town By-Law, I submit herewith my report as Town Counsel covering the year 1983.

(a) On January 1, 1983, there were pending the following actions by or against the Town (exclusive of actions in which the Town was merely summoned as trustee, and in which it had no interest, and of tax lien foreclosure proceedings in the Land Court and petitions for abatement before the Appellate Tax Board*).

Beatrice G. Swenson v. Town of Wilmington, et al, Middlesex Superior Court (petition for assessment of damages for land taking.)

Harvey Lobdell v. Board of Appeals, Middlesex Superior Court (petition in equity for appeal for variance by zoning by-laws.)

Andoniki Gaglione v. Thomas B. Brennan, et al, Middlesex Superior Court (petition for assessment of damages.)

Joseph Scaro, et al v. County of Middlesex, et al, Middlesex Superior Court (petition for assessment of damages for land taking.)

John E. Hayward, et al v. County of Middlesex, et als, Middlesex Superior Court (petition for assessment of damages for land taking.)

Robert Stevens, Tr. v. Town of Wilmington and Planning Board, Land Court (petition for registration and claim to Swain Court-private way.)

Sanborn Brothers, Inc. v. Town of Wilmington, District Court of Lowell (action for property damage-negligence.)

George Anderson, et al v. Town of Wilmington, et al, Fourth District Court of Eastern Middlesex (claim for personal injury.)

John E. Hayward, et al v. County of Middlesex, et als, Middlesex Superior Court (petition for assessment of damages for land taking.)

School Teacher v. Wilmington School Committee, Equal Employment Opportunity Commission (complaint of discrimination as to benefits.)

John J. Lyons, et al v. Town of Wilmington, Land Court (complaint to determine validity and extent of the zoning by-laws of the Town of Wilmington.)

Frances Dec v. Town of Wilmington, et al, Massachusetts Commission Against Discrimination (complaint alleging sex discrimination.)

Dorothy A. Cosman v. Town of Wilmington, Middlesex Superior Court (claim for personal injury.)

Fosters Pond Improvement Association, Inc., et als v. Aldo Caira, et als, Middlesex Superior Court (action in the nature of certiorari for decision of Board of Selectmen granting earth removal permit.)

Ruth J. Gronemeyer, Exec. v. George R. Allen, et al, Middlesex Superior Court (complaint for assessment of damages.)

James Rooney v. Sterling C. Morris, et als, Municipal Court of the City of Boston (appeal from decision of Civil Service Commission sustaining appointing authority.)

Lucille Costa, et al v. Town of Wilmington, et als, Middlesex Superior Court (action for personal injury resulting from a motor vehicle accident.)

George Donovan, et al v. Bruce MacDonald, et als, Middlesex Superior Court (appeal from the decision of the Board of Appeals denying variance to construct a single family dwelling.)

George Vinal, Inc. v. Town of Wilmington, et al, Middlesex Superior Court (action for quantum meruit to recover fair and reasonable value of services provided to Jewell Mfg. Company, Inc. for subdivision road and utilities and/or to reach and apply monies held by the Town of Wilmington.)

Pacella Bros., Inc. v. Town of Wilmington Water and Sewer Commissioners, American Arbitration Association (demand for arbitration on sewer construction project.)

Town of Wilmington v. AFSCME, Council 93, Middlesex Superior Court (complaint for declaratory judgment to determine rights.)

A. John Imbimbo, et als v. Bruce MacDonald, et als, Middlesex Superior Court (appeal from the decision of the Board of Appeals.)

Jean M. Benianati v. Wilmington Public Schools, Massachusetts Commission Against Discrimination (claim for age discrimination.)

Richard Jenkins v. James Rooney, et als, Middlesex Superior Court (claim for false arrest and conversion.)

Jeanette Iverson, et al v. Town of Wilmington, et al, Middlesex Superior Court (claim for personal injury and consequential damages.)

Paul J. Lynch v. Board of Selectmen of the Town of Wilmington, et als, Middlesex Superior Court (complaint for declaratory judgment.)

Warren Atkinson v. Wilmington School Committee, et al, Middlesex Superior Court (appeal under Chapter 71, section 43A.)

Town of Wilmington v. Robert Corey, a/k/a, et al, Middlesex Superior Court (complaint alleging violation of Town Zoning By-Law and Inland Wetland Act.)

Town of Wilmington v. Stepan Chemical Company, Fourth District Court of Eastern Middlesex (removed to Middlesex Superior Court) (claim for damages and sewer and water arrearages.)

Robert E. Vassallo v. Sterling C. Morris, et als, Suffolk Superior Court (action for review of decision of appointing authority and personnel administrator concerning appointment of sergeant.)

Dianna Holmes, et al v. Town of Wilmington, Massachusetts Commission Against Discrimination (complaint for discrimination in violation of Chapter 151B.)

Pacella Bros., Inc. v. Town of Wilmington, Middlesex Superior Court (claim to restrain payment of retention funds re: Contract #2.)

Cecile A. Marini v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Marilyn Fuller v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Mary T. Lynch v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Mary T. Lynch v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Mary E. Harvey v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Mary E. Harvey v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Raffaela Zaccagnini v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Raffaela Zaccagnini v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Patricia Johnson v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Margaret Stewart v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Carole Bailey v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Frances Dec v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Frances Dec v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

Dorothy Charbonnier v. Town of Wilmington, Massachusetts Commission Against Discrimination (claim for sex discrimination.)

I.A.F.F., Local 1370 v. Town of Wilmington, Labor Relations Commission (claim for grievance.)

Massachusetts Commission Against Discrimination v. Town of Wilmington, Suffolk Superior Court (complaint for enforcement of subpoena.)

Joseph Langone, Trustee v. Bruce Macdonald, et als, Middlesex Superior Court (appeal from the decision of the Board of Appeals denying the plaintiff's appeal from a decision of the Inspector of Buildings and the alternative application for a special permit to authorize conversion of a single family dwelling.

Massachusetts Commission Against Discrimination v. Town of Wilmington, Suffolk Superior Court (complaint for enforcement of subpoena.)

Dennis P. Rooney v. Reginald S. Stapczynski, Middlesex Superior Court (claim for total disability and medical reimbursement.)

AFSCME, Council 93, AFL-CIO v. Town of Wilmington, Board of Conciliation and Arbitration (petition for mediation and fact finding.)

Pitt Construction Corporation v. Town of Wilmington, American Arbitration Association (demand for arbitration-restrained by order of the Middlesex Superior Court.)

Town of Wilmington v. Pitt Construction Corporation, Middlesex Superior Court (action to restrain the defendant from proceeding with arbitration at the American Arbitration Association.)

*There are pending as of January 1, 1984, 50 separate petitions for abatements before the Appellate Tax Board, many involving claims for several different years.

(b) (1) During the year 1983, the following new actions were brought against the Town of Wilmington or its officers or agents:

Parents v. Wilmington School Committee, Department of Education-Bureau of Special Education (claim for special needs services.)

Parents v. Wilmington School Committee, Department of Education-Bureau of Special Education (claim for special needs services.

Frances Dec v. Town of Wilmington, American Arbitration Association (claim for grievance.)

Bill Mutchler v. Town of Wilmington, American Arbitration Association (claim for grievance.)

Associates Capital Services Corp. v. Transporation Management Corp., et als and Town of Wilmington, Middlesex Superior Court (Trustee service.)

Pitt Construction Corporation v. Town of Wilmington, Middlesex Superior Court (claim for extras.)

Parent v. Cleo Fredette, Jr., as he is Director of Special Needs for the Town of Wilmington, Middlesex Superior Court (claim for special needs services.)

Linda T. McMenimen, et al v. Dorothy L. Peters, Middlesex Superior Court (complaint in mandamus to compel Town Accountant to approve purchase orders.)

M & P Pipejacking Corp. v. Town of Wilmington, et al, Middlesex Superior Court (complaint in equity restraining the Town from paying Pitt for monies alleged to be due on Contract #6.)

Clarence T. Bryant, et al v. Town of Wilmington, et al, Fourth District Court of Eastern Middlesex (claim for personal injury.)

Sherwood Oil Co., Inc., et al v. Board of Appeals, Middlesex Superior Court (appeal from decision of the Board of Appeals.)

Bobby N. Stewart v. Reginald S. Stapczynski, et al, Middlesex Superior Court (action for declaratory judgment to determine the powers of the Town Manager in relation to police appointments.)

Alexander Athanassiou, et al v Bruce MacDonald, et als, Middlesex Superior Court (appeal from the decision of the Board of Appeals.)

(b)(2) During the year 1983, the following new actions were brought by or on behalf of the town:

Dorothy L. Peters v. Linda T. McMenimen, et al, Appeals Court (appeal of issuance of temporary injunction by Middlesex Superior Court.)

(c) During the year 1983, the following actions by or against the Town were disposed of:

Lucille Costa, et al v. Town of Wilmington, et als, Middlesex Superior Court (disposed of by insurance carrier at no expense to the town.)

Pacella Bros., Inc. v. Town of Wilmington Water and Sewer Commissioners, American Arbitration Association (finding for the Town of Wilmington in the amount of $131,689.61 in full settlement of all claims and counter-claim, after hearing on the merits.)

Jean M. Benianati v. Wilmington Public Schools, Massachusetts Commission Against Discrimination (disposed of by finding of lack of probable cause of age discrimination.)

Richard Jenkins v. James Rooney, et als, Middlesex Superior Court (disposed of by stipulation of dismissal with prejudice on behalf of the defendants, Town of Wilmington and Paul J. Lynch, after two days of trial.)

Warren Atkinson v. Wilmington School Committee, et al, Middlesex Superior Court (withdrawal of appearance because of conflict with another case.)

Dorothy Charbonnier v. Town of Wilmington, Massachusetts Commission Against Discrimination (complaint dismissed - lack of probable cause.)

I.A.F.F., Local 1370 v. Town of Wilmington, Labor Relations Commission (claim for grievance denied.)

Town of Wilmington v. Pitt Construction Corporation, Middlesex Superior Court (case dismissed after motion for summary judgment allowed for the defendant.)

Parents v. Wilmington School Committee, Department of Education-Bureau of Special Education (claim for special needs services dismissed.)

Parents v. Wilmington School Committee, Department of Education-Bureau of Special Education (disposed of by finding for the Town-appropriate educational plan, motion for reconsideration denied.)

Frances Dec v. Town of Wilmington, American Arbitration Association (case dismissed after finding of no probable cause.)

Associates Capital Services Corp. v. Transportaion Management Corp., et als and Town of Wilmington, Middlesex Superior Court (disposed of by payment to the plaintiff of $17,128.30 and discharge of the town of Wilmington.)

Parent v. Cleo Fredette, Jr., as he is Director of Special Needs for the Town of Wilmington, Middlesex Superior Court (withdrawal of appearance because of conflict with another case.)

Housing Authority

During the year of 1983, under the chairmanship of William F. Strob, Sr., members Kevin J. McMillan, Warren G. Newhouse, and new members, A. Daniel Gillis, and state appointee, Elaine M. Hachey continued to pursue their efforts to obtain suitable housing for the people of Wilmington. The Members of the Board continued to pursue all possible avenues to accommodate the ever increasing number of applicants seeking housing. Efforts are still in progress to acquire the use of the Buzzell School for elderly housing.

Last summer the tenants planted flowers outside their apartments and the state and national flags have been flying each day through the efforts of our tenant, Evelyn Barden.

We now have the office open from 9:00 a.m. to 1:00 p.m. each day with our new part-time Secretary, who has been assisted by our former Secretary. The office is also kept open and "alive" from 2:00 p.m. to 4:00 p.m. by the volunteer efforts of one of our tenants, Florence Jarvis. Florence does typing, phone answering and helps out the office staff.

Our new Maintenance Man has been on duty thirty hours a week to keep the apartments at Deming Way and our 705 units in repair. He has all-around capabilities of the trades and is most cooperative with the Tenants.

Now that we have our office staffed and up-keep taken care of, we members of the Board are looking forward to a year of cooperative effort toward the future.

In conjunction with the Board of Selectmen, the Housing Authority has sought consideration from the Town Water and Sewer Commissioners for tie-in to the Town sewerage. This is becoming a reality which will open the rear section of Deming Way for additional elderly units.

During 1984, the Housing Authority will be diligently requesting, with the help of our Representatives and our senator, state funding for housing which became available this fiscal year by the Commonwealth of Massachusetts.

The Board will seek to accomplish these goals and work harmoniously and diligently to provide Wilmington with this service.

Council for the Arts

The Wilmington Council for the Arts, supported by a more generous distribution of State funds, experienced an increasingly active - and productive - year in 1983, committing nearly $2,500.00 to the encouragement of the arts and artists in the community.

In summary, two one-man shows were held at Harnden Tavern in February and May, in cooperation with the Historical Commission; an exhibition of the old Colonial art of quilting was held there in March; and its third annual Art Exhibition Craft Fair, as a part of the increasingly popular Fourth of July Celebration, was held on the lawn of the Wilmington High School, July 2.

In addition, the Council introduced a new dimension to its activities by contributing $400.00 to the Art Department of the Wilmington School system to provide each school with display panels for their art; $100 to the Music Department to underwrite the cost of a jazz concert; $300 to the "Spotlighters" to support a production of "Oklahoma" during the upcoming 1984 July 4th observance; and $350 to the Commonwealth Woodwind Quartet of Tewksbury to present a concert in another part of the holiday Musicfest on the Common.

In its continuing efforts to encourage artistic creativity within the community, the Council for the Arts also awarded three, $300 scholarships to promising students, Thomas DeLetter, Michael Manni, and Celia Bartoletti. Other students interested in pursuing careers in art, music or drama are urged to apply for scholarship aid as additional funds become available during 1984. It is anticipated that Wilmington's share of the State Lottery funds, which grew from $500 in 1982 to $1,690 this year, will increase with the growing success of the new Megabucks game.

The Council for the Arts meets regularly each month at the Town Hall. Its membership has expanded during the past year due to its increasing activity. All residents interested in any artistic form are invited to apply for membership and join the effort to promote artistic creativity and appreciation in the life of the Wilmington community.

Board of Health

Mr. James Durkee resigned from the Board after eighteen years of service. He was replaced by Dr. James Ficociello. Mr. Domenic Tutela was elected Chairman. Mr. Joseph Paglia completed eighteen years in 1983 as a member of the Board.

There were no changes in full-time personnel in 1983. Mr. Leo LeBlanc, who acted as substitute sanitarian, passed away and shall be greatly missed.

The three year contract for rubbish collection signed with Vining Disposal in July 1982 was terminated and a new contract for the three years was signed. This second contract, however, was also terminated and a five-year contract was negotiated with S.C.A.

Mr. Simon Cutter continued as legal advisor to the Board and represented them in court in a variety of matters.

The Board again funded Wilmington Family Counsel.

Mr. Domenic Tutela was appointed to the Board of Directors of Mystic Valley Mental Health.

The Board promulgated new filing fees for subdivisions during the year.

The Board met routinely on a monthly basis.

Fees collected, by the Board of Health, totaled $11,205.00 compared to $4,135.00 in 1982.

The Board held a town-wide Flu and Pneumonia Clinic that was held at the Town Hall Annex, on September 19.

In April, the Board participated in the High School immunization program for seniors.

Blood Pressure Clinic was held at the Polls on voting day, April 16.

Dog Officer

Dogs Licensed	1,501
Dogs Confined	424
Complaints Covered	3,140
Court Fines	$3,645
Dogs Disposed of	236
Dogs killed by cars	58
Residents notified for licenses	1,140

Sarah D. J. Carter Lecture Fund

On Thursday evening, May 19, 1983, the Carter Committee was pleased to present Mr. John Roberts on "MAGNIFICENT AUSTRIA". Among the highlights were the majestic alps, the Lippizaner show horses, Festive Parades, Vienna's Concordia Ball, Austrian vineyards and the renowned Vienna Boys Choir. Mr. Roberts' program was enthusiastically received.

In the Herbert C. Barrows Auditorium on Thursday evening, May 3, 1984, at 8:15 p.m., we are looking forward to presenting - "A BALLOON SAFARI OVER AFRICA" with Artist Bill Velmure. You will travel in a hot air balloon over the northern SERENGETI plains in EAST AFRICA and share with him the adventure of documenting in pencil, paint, and on film the landscape, people, and wildlife of KENYA, TANZANIA, ETHIOPIA, and BOTSWANA. Mr. Velmure will show what he experienced while on fourteen safaries travelling on horseback, foot, landrover, camel, rubber rafts, light aircraft, and hot air balloon (including altitudes up to 13,500 feet above sea level over MASAI MARA game reserves lion, elephant, rhino, leopard, hippo, crocodile, and many thousands of plains animals) followed by a painting demonstration in which he puts down in paint a personal impression of the wild, natural beauty which says AFRICA.

Mrs. Sarah D.J. Carter was born in Wilmington in 1832, and died in Wilmington in 1907. In her will she bequeathed the sum of $6,000.00 in trust to maintain courses of lectures for the residents of Wilmington. At the Town Meeting in 1909 the town voted unanimously to accept Mrs. Carter's bequest.

Before the Town Manager form of government, many town officials were elected, after which they were appointed by the Town Manager. Mrs. Edward M. Neilson was elected to the Sarah D.J. Carter Lecture Committee in 1922. Mrs. Neilson can remember seeing Mrs. Carter walking her poodle on Middlesex Avenue.

Mrs. Neilson has been a member until her term of office expired in 1983, and she wished not to be reappointed. The members of the Carter Committee requested the Town Manager to appoint Mrs. Neilson an honorary life member. We were pleased this was done.

Mrs. Neilson's enthusiasm, good judgment, and support have been very beneficial to the committee for all these sixty-one years. In appreciation, the committee sends best wishes and "thank you", Mrs. Neilson - we shall miss you.

Constable

During the year the following notices and warrants were posted:

Event	Posted	Date
Special Town Meeting	6 Places	March 5, 1983
Annual Town Meeting	6 Places	March 30, 1983
Special Town Meeting	6 Places	April 26, 1983

Case #S-28-83 Norman Powers	To construct a single family dwelling on land not shown on or made part of the Official Map on a way known as Lime Street.	Granted
Case #S-29-83 Edward Hill, Sr.	To construct a single family dwelling on land not shown on or made part of the Official Map on a way known as Bay St.	Granted
Case #S-30-83 Alberta Ashworth Jos. Courtney, Atty.	To construct a single family dwelling on land not shown on or made part of the Official Map on a way known as March Road.	Granted
Case #S-31-83 James DeCarolis	To construct a single family dwelling on land not shown on or made part of the Official Map on a way known as West Jamaica Avenue.	Granted

Veterans' Services

Veterans' Services is governed by the General Laws of Massachusetts Chapter 115 as amended with strict compliance to this Chapter, the rules and policies of which govern the disbursement of aid.

Benefits are for the needy Veteran and his immediate family who have been subject to unforeseen needs. Final approval of benefits comes from the Commissioner of Veterans' Services, Boston, Massachusetts.

The balance for the first six months of 1983 from previous appropriation was $10,256.52. A balance of $694.67 remaining June 30, 1983. The amount of $1,160.00 was encumbered to pay bills waiting for authorization prior to end of Fiscal Year into 1983-1984 fiscal year. Total available funds beginning July 1, 1983 was $12,000 including encumbered funds. Total expended for aid to Veterans and their families for the entire year was $10,145.33.

This department deals continuously with new and changing benefits and/or laws pertaining to Social Security, V.A. Disabilities, Pension, Compensations and G.I. Education or on the job training; plus, aiding applicants for S.S.I., unemployment due to strikes, shut-downs and lack of work always has an impact on expenditures. Case load varies from time-to-time.

The appropriation for 1983 and six months of 1984 was $12,000 as voted at the Annual Town Meeting, a balance of $6,188.79 forwarded for the first six months of 1984.

Fourth of July Committee

"Fun on the Fourth" has now established itself as a family tradition for the Wilmington Community. 1983 was a banner year for the program, as large crowds attended the week's activities, and a "soldout" became a familiar phrase at the dinners.

With an expanded committee, the planning stages began in early January for the week of activities. The activities included breakfasts, lunches, and suppers provided by the service organizations in the community, concerts by local entertainment groups, competition in athletic events for industry and townspeople and, most important of all, people in the community having a chance to socialize with their friends, neighbors, and relatives on the Common.

The highlight of the week was the spectacular display of fireworks - the largest, longest, and loudest seen in this area in quite some time.

An added benefit to the program was the official opening of the Fourth of July Headquarters (the old library), which has now become the meeting place of many of the non-profit organizations in the community, with the only payment being participation in the Fourth of July program.

The Committee would like to thank all the town departments, organizations, and the countless volunteers who gave of their free time to make our week so successful. We look forward to continuing this town tradition with the Wilmington family.

Accepted Streets

STREET	LOCATION	LENGTH	DATE (s) ACCEPTED
Adams Street	from Middlesex Avenue to Parker Street	2,915	1908
Adelaide Street	from Church Street to Middlesex Avenue	666	1976

Redevelopment Authority

1983 saw no personnel changes on the Wilmington Redevelopment Authority with incumbent, Sidney Kaizer, being re-elected to a five-year term.

Officers of the Redevelopment Authority include: Carl Backman, Jr., Chairman; Jay Donovan, Vice Chairman; C. Nicki Johnson, Secretary; Sidney Kaizer, Treasurer, and Vaughn Surprenant, Assistant Treasurer.

During the year, the roadway was completed and all utilities were installed. Altron purchased the lot adjacent to their existing building to accommodate future explansion planned for 1984-1985.

The last remaining lot on Jewel Drive is under agreement for final sale to Howland Development Company of Woburn, who have successfully completed several industrial buildings in Wilmington previously. Their plan is to build approximately 100,000 - 150,000 square feet of space suitable for light manufacturing, warehouse, research and development and office use within a 6 - 24 month period.

At the end of 1983, there were five businesses operating in Jewel Park employing a total of 445 people. Assessed value of the park is $3,560,400 and the annual tax revenue to the Town of Wilmington totals $87,870.

Historical Commission

The Wilmington Historical Commission held nine Sunday Open Houses during the course of the year with tours being conducted by Mr. and Mrs. Charles Columbo who are tenants of the Tavern extension. The Arts Council sponsored several exhibits of local artists in conjunction with these tours. The Women's Club held a showing of sketches of flowers growing in Wilmington at the turn of the century and a booklet of poems by Mary Louise Buzzell and also a book of poems written by her son, Phillip Buzzell.

The friends, our local support group, sponsored a Strawberry Festival and a Christmas Social. They also donated a rocking chair from the estate of Mildred Buck.

The Tour Map was completed and copies are know in the Town Hall and the Library. The Commission is grateful to the Avco Systems Division for printing and providing the town with these copies.

The clapboards on the front exterior of the Tavern were replaced and painted. The front door and all its intricate moldings was carefully restored to as near its original appearance as possible by Barney McMahon and Ray McKinnon. We hope to continue further exterior renovation to prevent additional deterioration of the Tavern.

The interior has been enhanced by the installation of wall sconces in each room gratis by the Massachusetts Electrical Contractors Association, Northern Middlesex Chapter - Bob Wright, President.

Estimates have been received for the refurbishing of the rooms with wallpaper and paint according to research that has been done.

Recreation Department

Wilmington's Recreation Department continued to provide a wide variety of leisure time activities for local citizens during 1983.

The following departmental objectives guide us in our efforts:

- To provide opportunities for self expression
- To develop a sense of personal worth
- To provide activities that allow for personal achievement and accomplishment
- To provide activities that are fun and enjoyable
- To provide physical activities which are new and different, offering a certain amount of challenge to participants
- To teach skills in various activities that will have carry over value in later life
- To provide a healthful and diversified program of recreation activities in an attempt to meet the needs and interests of the people being served.

The present day Recreation Department reflects the changes brought about three years ago when over 50% of the budget was lost to Prop 2 1/2. This loss in tax support was offset by increased user fees, increased support from industry and civic/fraternal groups, and increased volunteer assistance.

Many of those organizations that assist us also serve a vital role in the community by providing their own particular social/recreation programs. These groups include: Rotary, Knights of Columbus, Sons of Italy, Lions, Elks and Kiwanis. The custodian union along with the town employees union and Police Association also help sponsor events with us. The Special Needs PAC donated needed items for our summer camp at Forty Acres.

We are fortunate to receive generous support from the following businesses: Sweetheart Plastics, Polaroid, Very Fine Apple Juice, Purity Supreme, Diamond Crystal, Lipton Tea, Bakery Distributors, General Electric Good Neighbor Fund, Converse, Massbank for Savings, Town Crier, Charles River, Elia's Country Store, Chamber of Commerce, Stelio's, Avco, Compugraphic, F & R Auto, Ski Haus, Burger King, Rocco's and D & D Lock.

Our programs are planned on a seasonal or quarterly basis. Our Winter programs consist of: Red Cross Swimming Lessons, Baton, Basketball, Men's Gym, Ladies' Fitness, Co-ed Volleyball, Teen Ski Trips, Youth Ski Lessons, Cross-country Ski Lessons, Santa's Workshop, Special Needs Christmas Party, Public Skating, Record hops, Ballet, Rotary/Rec Shootout, Universal Exercise, Hoop Clinics, Mens Basketball, Disney on Ice, Roller Skating, Indoor Soccer Practice, Modeling and Modeling Pageant.

Spring programs were: Swimming Lessons and Family Swim, Easter Egg Hunt, Record Hop, Public Skating, Girls Softball, Soccer, Tennis Lessons, Gymnastics, Baton, Special Needs Easter Egg Hunt, Roller Skating, Modeling, Fun Runs, New York Trip, Jogging Clinics, Universal Exercise, Lion's Fishing Derby, Canoe Clinic and Silver Lake Clean Up, Memorial Races and Ladies Fitness.

Summer programs were: Playground, Tiny Tots, Special Needs Day Camp, Maine Rafting Trip, Tennis Lessons, Gymnastics, Soccer, July 4th Road Race, Concerts on the Common, Hampton Beach Trips, Red Sox Trips, Public Beach, Canoe Rental, Canoe Lessons, Jogging Clinic, Swimming Lessons, Red Cross Swim-a-Cross, Girls Softball, Canobie Lake Trip, Roller Skating, Boston Harbor Trip, Cranes Beach Sand Castle Competition and Police Association Day.

Fall programs were: Newport Trip, L.L. Bean Trip, Punt, Pass and Kick with Rotary, Modeling and Finishing, Shriners Rodeo with the Police and Special Needs Kids, Horribles Parade, New York Trip, Movie Discounts, Florida Discounts, Barnum & Bailey Circus Trip, Swimming Lessons, Family Swim, Record Hop, Baton, Teen Girls Workout, Ladies Fitness, Gymnastics, Ski Show, Veterans Day Turkey Race, Modeling Show and Mens Gym.

There are other sport/recreation groups which help deliver a well rounded recreation program. They are: Little League, Pony League, Youth Hockey, T-Ball, Figure Skating Club, Mens Softball, Square Dancing, Wilmington Wheelmen, Youth Soccer, Spotlighters, Tennis Club, July 4th Committee, Community Schools, Council on Aging, Council for the Arts, Scouts and the BMX Bike Club.

Wilmington has many fine natural facilities where many outdoor activities may be pursued. Silver Lake is our most valuable such asset offering a variety of aquatic pursuits from swimming, sailing and canoeing to fishing and skating in the winter. The hill at Town Park provides an excellent sledding area during the long winter months. There are many wooded areas to skate on as well as at the Youth Ice Arena. The larger number of conservation and water department lands provide an extremely healthful environment for man and animal alike. These protected properties also allow for much passive recreation such as bird watching, nature study or just plain browsing.

Camp Forty Acres is a semi-private wooded facility used by various youth and scouting groups. The Town Forest, Town Park, Common with Gazebo, School Playgrounds and an abundance of tennis courts - many with lights are available to all.

The outdoor facility at Glen Road School has been turned over to the Recreation Commission. The Commission in turn quickly improved the facility through a generous donation by Rotary and the invaluable help of volunteers and the Highway Department. Further improvements are planned for the future.

Other play areas at the schools should be improving due to the formation of an Athletic/Recreation Fields Advisory Committee and the re-organization of those Departments connected with fields maintenance.

The Recreation Director and Commission thank those many individuals and groups who help produce a final recreation product which is a model to many surrounding communities.

Sealer of Weights and Measures

	Sealed	Not Sealed	Adjusted	Condemmed
Scales, Balances, Weights	241	34	64	23
Liquid Measuring Meters	190	12	73	28
Capacity Measures	41	14	34	18
Other Measuring Devices	55	26	21	22
Prepackaged Foods Reweighed	6800			

The above is a list of all weighing and measuring devices, scales, meters, pumps, that were tested, sealed, not sealed, adjusted, and condemmed during the year 1983.

School Committee

The School Committee of the Town of Wilmington herewith presents its report for the year 1983. The membership of the Committee is as follows:

Robert G. Peterson, Chairman
Bridget T. Zukas, Vice Chairperson
Anthony Accardi, Jr., Secretary
John D. Brooks
Philip A. Fenton
Linda T. McMenimen

A total of thirty-one (31) regular meetings, twenty-three (23) executive sessions, two (2) special meetings, two (2) public budget meetings, and nine (9) collective bargaining meetings were held by the whole Committee.

COLLECTIVE BARGAINING

The Committee completed a negotiated two year contract with the Directors' Unit and conducted numerous meetings with the Wilmington Teachers Association. A three year (1983-86) collective bargaining agreement was reached with the Teachers' Unit during formal mediation sessions in 1983.

BUDGET

The 1982-83 school budget of $8,224,750 was increased by a modest 3.9 percent to $8,534,063 for 1983-84.

STAFF RECRUITMENT

Candidates were screened and hired in the areas of Mathematics, Science, English, Social Studies, and Foreign Language in 1983. The availability of state certified candidates in Science, Mathematics and Foreign Languages was clearly limited this year.

CENTRAL OFFICE

Wilmington's programs have received national recognition. In February Dr. Sager was invited to speak at the National Conference of the American Association of School Administrators in order to spotlight the accomplishments of the Wilmington Public Schools. In light of today's criticism of education nationwide, this is indeed an honor for Wilmington as well as for Dr. Sager.

RETIREMENTS

A number of persons who served Wilmington retired in 1983. They include:

Harold F. Garrett, Assistant High School Principal
Charles Shiere, High School Business Education Teacher
Marjorie Winchell, High School Guidance Secretary
Bernadette Moegelin, Elementary Educational Secretary

The Committee thanks each of these persons who have served the Wilmington School Department and wishes them success in their retirements.

The Committee also wishes to extend their appreciation to Lester White who served for seven years as a School Committee member, former chairman, and active public servant.

The School Committee thanks all of the parents, other town personnel, and professional staff who have contributed to a successful 1983.

Superintendent of Schools

I am pleased to submit the Annual Report of the activities of the Wilmington Public Schools for the year 1983. A review of the year's activities brings out the following highlights:

BASIC SKILLS IMPROVEMENT PROGRAM

In the spring of 1983, students in grades 3 and 6 were administered the Iowa Test of Basic Skills to assess their basic skills, provide diagnostic information, and to identify students not achieving minimal competency levels. In grade 8 students were assessed in Reading, Mathematics, and Writing to insure that minimal competency levels were achieved. In grades 3, 5, and 7 a listening skills assessment was performed to comply with state mandates to identify students needing improvement in this skill area.

Skills in capitalization, punctuation, grammar and usage were also tested in grades 3, 6, and 8 as part of the total Basic Skills Program. Students not achieving minimal competency in one or all of the areas tested are provided with remediation programs until competency can be demonstrated.

"WILMINGTON COMPUTES"

A variety of formal and informal activities designed to provide computer literacy experiences for students previously underserved were introduced in the 1982-83 school year.

A formal computer literacy program was introduced to all grade eight students at both the North and West Intermediate Schools. This one semester requirement provided two hours of weekly instruction and exposure to the concepts and applied hands-on activities needed to vastly improve the computer literacy of participants.

A series of computer clubs was introduced for grade seven students and high school students on a limited space available basis in the fall of 1983.

During the school year several sequences of Saturday morning computer experiences were offered and elected a charge basis for elementary school children and grade seven students. In addition, to fully utilize our microcomputer hardware, four sequences of "Summer Computer Camps" were provided for Wilmington's children at a cost which covered all expenses.

The strong demand for computer oriented programs is beginning to be fulfilled and can be achieved in the next three years as the motto of "Wilmington Computes" becomes a reality.

READING/LANGUAGE ARTS

The Reading Program continues to service a large number of students at elementary, intermediate and high school levels. Two of the most notable highlights for 1983 include the introduction of a new reading course at the North and West Intermediate Schools and the second Annual Summer Reading Program.

The Advanced Reading Skills Course is designed to provide ongoing, developmental instruction in reading. The areas covered include work study skills. (For example, effective use of book parts, usage of reference materials, note-taking and outlining, tips for test-taking and techniques to develop a flexible reading rate necessary to be able to read and study a variety of content area material.) Vocabulary development includes specialized content area terminology, structural analysis, usage of context clues, multiple meanings of words, and figurative language. Literal and inferential comprehension skills and independent reading skills are also covered. This class meets three periods a week in a regular classroom setting.

Wilmington's second annual summer reading program was a tremendous success. Through the cooperative efforts of the Wilmington Reading Department and the Wilmington Memorial Library, the major objective of the program--to encourage summer reading and visits to the public library--was achieved. The greatest number of students ever (641) participated in this program. The library reports that the summer of 1983 had the highest circulation of books on record. Read And Investigate New Books Or Writers was the Rainbow Theme.

Upon the return to school in September, a special "Rainbow Reading Celebration" was held. Rainbow songs, rainbow art projects, certificates for those participating in the summer program, rainbow readers of the week, and special rainbow reading activities were conducted. All students were given the opportunity to participate in the program. Plans for next summer's cooperative reading program are already underway.

CAREER AND OCCUPATIONAL EDUCATION

A federal grant was prepared, submitted, and awarded for the expansion of our Wang Word Processor unit and number of student stations. Junior and senior students in the business education program are now able to acquire word processing skills which are in local and regional demand.

A major highlight for business students in the local chapter of the Office Education Association was their participation in the Massachusetts State Conference in Lynnfield. Students competed for two days in examinations of: proofreading, busines mathematics, personal banking, and other office education skills. Trophies were awarded by the State Association for excellence to Debbie Hanegan, Bonnie MacEachern, Darin Mather, and Janice Wolff.

PERFORMING AND FINE ARTS

This was the initial year of reorganizing the previously separate departments of music and art into an integrated Performing and Fine Arts Department.

The goals of this reorganization include (1) continuation of the high quality art and music experiences, (2) to integrate the arts into the basic skills curriculum, (3) to develop a multi-arts curriculum component, (4) to develop appropriate performing arts curriculum and experiences for students at all levels.

Highlights include a pilot program in performing arts/drama at the Shawsheen and Wildwood Elementary Schools; a pilot dance program at the North Intermediate; and a multi-arts Medieval Fair involving most of the faculty and students at the West Intermediate.

Department faculty teamed with regular classroom teachers to develop and present cooperative arts experiences in all elementary and intermediate schools. Guest artists in residence were made available in each school, and community service projects were undertaken in the Wilmington community.

Parent groups have continued to support the arts program and have been expended by the development of a new parent band booster group.

SCIENCE/HEALTH

The science curriculum at the elementary level is designed to provide a variety of learning experiences in both the content and process of science. With the acquisition of resource kits at each grade level, teachers are able to provide an exciting and educationally sound program for all students. Also, an in-service course called "Project Wizard" is being offered to teachers in order to enhance our resources for elementary science instruction.

At the intermediate level, we offer life science in grade seven and physical science in grade eight. Both programs are designed to develop and enhance critical thinking skills and build a foundation for further study in science.

At Wilmington High School over 68% of the student body take science courses and over 27% are enrolled in their second, third or fourth year of high school science. We have an active and enthusiastic science club and enrich our courses of study with audio-visual media, laboratory activities, field trips, visiting lecturers and increased use of microcomputers.

We continue to award the Bausch and Lomb Medal for outstanding science achievement, and this year the recipient Darin Colarusso.

FOREIGN LANGUAGE

Many students from the High School, the North and the West were heard around town this summer speaking a combination of French, Spanish, and English. They were entertaining their French and Spanish "brothers" and "sisters" who had come to the United States to live wth an American family and to improve their English. There was also a continuous exchange of cultural information. Many of the French and Spanish students have invited their American "brothers" and "sisters" to visit them in Europe.

Hundreds of parents, students, and teachers spent a delightful evening clapping their hands, stamping their feet, and swaying from side to side as they listened to "LaTuna." "La Tuna" is a group of Spanish University students who are also professional musicians. The group tours the United States giving concerts of Spanish music to Americans of all ages. Mr. Robert Young, the Spanish teacher at the North invited the group to come and organized the entire evening with the help of his students. Students were able to speak to the "Tunas" in Spanish. Several students even hosted a "Tuna" for the night and thus were able to use their Spanish more extensively.

The foreign language clubs are alive and well at Wilmington High School. Under the direction of Miss Jeanne Fitzgerald and Miss Lita Fernandes, more than ninety students of French and Spanish participate in extra-curricular activities oriented towards inter-cultural awareness and personal enrichment. There have been trips to a court house and a bank to learn about the value of a foreign language in many careers, as well as to museums, restaurants, movies, and concerts. To celebrate the Christmas holidays, club members gathered at the Deming Way community to sing carols and distribute homemade Christmas cards. A Christmas fiesta, complete wtih pinata, followed at one of the student's home.

PHYSICAL EDUCATION AND ATHLETICS

The department continued to serve all students K-12 and to provide an adaptive program for students with exceptional needs. Outstanding Achievement Awards were given to Mark Poole and Alice McNamara Class of 1983, Scott Robbins and Joan Sullivan Class of 1984, David Hanson and Pam Davis Class of 1985, and Anthony Cutone and Andrea Spinelli Class of 1986.

Wilmington's student athletes distinguished themselves and their community in a wide variety of experiences. Eight of the top ranked ten highest academic achievers at Wilmington High were student athletes. They included Mary McNaughton, Karen Rowe, Kimberly Bennett, Janice Wolff, Joseph Pelletier, Deborah Zambernardi, Deborah Mottolo, and Lisa Rudnicki.

Athletic teams had an outstanding year which included the Girls Basketball Team, coached by Doug Anderson, winning the Merrimack Valley conference Small School Championship, the Boys Basketball Team, coached by Jim Tildsley, qualifying for the State Tournament for the first time in twenty-five years; the Merrimack Valley Co-Championship of the Boys Hockey Team and Coach Cullen's team skating in the semi-finals of the State Tournament; the Girls Softball Team, coached by Jack Fahey, winning the Merrimack Valley Conference Small School Championship; and the Boys Baseball team's winning the Merrimack Valley Small School Championship under the leadership of Coach Dick Scanlon.

Other highlights include Dean Athanasia's selection as a Globe All Scholastic, and 1983 graduate Mary McNaughton was selected to the first team All American Cross Country Team for her performace at Holy Cross College.

Top athletic awards in the Class of 1983 included the Dr. Gerald Fagan Award (Outstanding Athlete) to Karen Rowe and Jonathan Nolan; the Lawrence H. Cushing Award (Scholarship and Sportsmanship) to Mary McNaughton and Edward Olshaw; the Harold "Ding" Driscoll Award (most dedication to sports) to Michelle DeGirolamo and Robert Ducharme; and the George Spanos Memorial Award (contribution to W.H.S. athletics) to Frank Sferrazza.

SPECIAL EDUCATION

The Special Education Department has completed the process that began last year of applying computer technology to the managerial aspect of the Chapter 766 program. The Special Education office now maintains all such information relative to Wilmington's approximately 460 Special Needs students in our High School main computer. The computer program has assisted in improving the monitoring, on both a systemwide and building by building basis, of annual program reviews and third year re-evaluations of all Special Needs students. The program is an asset for daily management of programs and budgets.

The Special Education Department has worked with area communities in an effort to develop more local programs for students currently being educated in private 766 schools.

IN-HOUSE SUSPENSION PROGRAM

The In-House Suspension program at Wilmington High School was conceived as an alternative to placing students being suspended outside the building for periods of one to five days.

Statistics demonstrate that in the 1983 school year over 80% of the students suspended by building administrators were placed in the in-house suspension program. Seventy-five percent of those students placed in the program for the first time did not repeat their suspension experience in the same school year.

Students placed in the program are required to complete school work for credit in a structured setting and are better prepared to be returned to regular classroom instruction than students who otherwise would be suspended out of school.

DATA PROCESSING

A new internal computerized payroll system, which prints all checks for school department employees, was implemented. The new system provides all bi-weekly, monthly, quarterly, and annual financial reports. It also enhances our ability to produce internal auditing reports, improve the school department's program budget, and retrieve data for financial reports required by the State Department of Education.

In conclusion I would like to take this opportunity to extend my appreciation to the School Committee, administrators, teachers, parents and students who contributed their efforts to the Wilmington Public Schools during the 1983 school year. A special note of thanks to the many town departments that cooperated with the school system in 1983.

Shawsheen Regional Vocational/Technical School

Elected Representatives of the School Committee are:

Bedford
Anthony R. Mazzone, Chairman
Joseph L. Rogers

Billerica
Kenneth L. Buffum, Secretary/Treasurer
Bernard Hoar, Vice Chairman

Burlington
John G. Murphy
John P. Miller

Tewksbury
Richard E. Griffin
J. Peter Downing

Wilmington
Lawrence P. Juergens
Frank McLean

January 1984 is the start of a year which saw industrial activity at a high level and this in turn is expected to result in excellent placement opportunities for all of our graduates this coming June.

We find that there is still an over-crowded condition due to the absorption of students in the afternoon program being combined with our day school students a few years ago. The overall situation is that the ninth and tenth grade student enrollment is expected to be normal and the student enrollment in grades eleven and twelve is above the normal capacity due to these unusual conditions.

ORIENTATION

Orientation nights for eighth grade students and their parents were held in January on two different evenings. This made it possible for the students and their parents to visit the school, listen to the administration explain the operation of our school, and then tour the building and ask questions of the shop teachers relative to the training programs.

BUDGET

In accordance with past practices, the superintendents of the five towns that comprise our region and that serve in an advisory capacity, met early this year to discuss the possibility of reviewing the preliminary stages of the Budget to see if they could be of any assistance. In accordance with the guidelines established, the final Budget was reviewed and passed by the Regional School Committee on the 25th of January. Some problems have arisen these past few years in regard to the Budget situation since the new method of funding our school was adopted a few years ago. We have no way of knowing what the State aid will be in January when our Budget is finalilzed since the Cherry Sheet comes out generally in July or August. This makes for a difficult situation, especially when the funds anticipated are not the funds that are actually sent to us. This upsets our Budget that was finalized in January.

ADULT EDUCATION

Adult Education continues to be a very popular program with approximately 600 adults attending some 39 programs. Two new courses offered are Micro-Processing Electronics and an Introduction to Home Computers. During the summer of 1983, Mr. John McDermott, our Area Coordinator, ran three projects that were paid for by grants received through the State Department of Education. They were: PROJECT T.A.C. (Typing, Accounting and Computers), PROJECT V.O.T.E. (Vocational, Occupational Training Experience) and a Computer Camp, which was a combination Computer program and physical education program, geared for children.

MASSACHUSETTS ADVISORY COUNCIL ON VOCATIONAL EDUCATION

The Council consists of 22 members throughout the State. They met at Shawsheen Tech and had an opportunity to tour the facility and were quite impressed with the updated equipment and the school in general.

PARENTS ADVISORY COUNCIL (P.A.C.)

The Council was quite active this year. At their meetings presentations were made by members of our staff to enable the parents to become familiar with the various shop programs, as well as the academic schedules.

OUTSIDE PROJECTS

Again, we pride ourselves on having assisted the Shriner's in Wilmington with the renovation of part of their auditorium into a function room. The Shriner's provided all of the necessary materials. Our house building project in Bedford was completed in June. This is the largest home we have built to date. The house has twelve rooms and three and one-half baths. For the school year, 1983-84 we are now working on a contemporary style home located in Wilmington.

NEGOTIATIONS

This is the year that negotiations are taking place with all of the union groups within the school.

MEETING WITH LEGISLATORS

In March, our Business Manager, Mr. Robert Brooks and Mr. Bernard Hoar, a member of the Regional School Committee (Billerica), visited the State House and met with the Senators and Representatives from our district. The main topic of discussion was to ensure that State aid would be distributed in an equitable manner so that we at Shawsheen Tech would get our fair share.

CRAFT ADVISORY COMMITTEES

The Craft Advisory Committees in keeping with our past practices, met in the spring and fall and continue to be very important in updating our curriculum and equipment in various shop areas. We have been most fortunate in having a large and very interested group of advisors whose guidance has been extremely valuable to all of us at Shawsheen Tech. The General Advisory Committee meets periodically to review the total operation of our school and to make suggestions for its growth and direction.

MIDDLESEX COMMUNITY COLLEGE

A meeting was held in May with President Houlihan of Middlesex Community College and members of his staff to discuss the possibility of a cooperative project with the students from the college using our shop facilities in the afternoon in order to complement their studies. We anticipate the possibility of a program that would be set up in Graphic Arts Management, Diesel Mechanics and Metal Fabrication.

PUBLIC RELATIONS

Our school was invited to celebrate RCA's 25th Anniversary at their Burlington facility. The students from our school who are involved in the technology area had a chance to tour the RCA facility and view some of the developments in which they are engaged.

The Billerica Fire Department put on a demonstration of the special tool called The Jaws of Life for our automotive and autobody students.

STUDENT ACTIVITIES

Listed under Student Activities are the Vocational Industrial Clubs of America, the Annual Red Cross Blood Drive, Toys for Tots, Teen Fair/Flea Market, two car washes, sponsored by the 1984 Yearbook Committee, and the highlight of our activities, the Annual Open House. In March, our school musical, SOUTH PACIFIC, was held at the Burlington High School.

ATHLETICS

For the first time in the school's history, the basketball team reached the finals in the State meet. The hockey team placed second in the league and qualified for the State tournament.

SHAWSHEEN TECHNOLOGY PARK

Across the street from our school a builder is developing an industrial complex that is expected to employ about 1,000 people. The park will consist of mostly light industries and research and development companies. In addition, at the corner of Cook Street and Boston Road another building project is under way. This again will house various businesses and light industries. It is interesting to note that both these projects are close by Shawsheen Tech and this reflects the positive business atmosphere which encourages developers to build in this area.

GRADUATION

Graduation this year took place on Sunday, June 5 at the Shriner's Auditorium in Wilmington. 399 seniors received their diplomas and readied themselves for the world of work and higher education. 75.1% went to work in jobs in their respective areas; 6.3% enrolled at schools of higher education; 3% entered the military; 8.8% were employed in other fields; 3.8% were in special situations and 3% are in the process of being placed.

We feel this reflects our excellent placement record and bolsters the reputation of Shawsheen Tech as providing the type of training that both industry and business is expecting.

ENROLLMENT STATISTICS

In accordance wih the agreement between the five towns, the assessment of costs is based on the percentage of enrollment as of October 1 which is as follows:

TOWN	NUMBER OF STUDENTS	PERCENT OF ENROLLMENT
Bedford	74	4.55
Billerica	602	37.02
Burlington	201	12.36
Tewksbury	458	17.90
Wilmington	291	17.90
Total Enrollment	1,626	100

Town Meetings

WARRANT SPECIAL TOWN MEETING - MARCH 28, 1983

TO: EITHER OF THE CONSTABLES OF THE TOWN OF WILMINGTON:

GREETINGS: In the name of the commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at Barrows Auditorium, Wilmington High School, on Monday, the twenty-eighth day of March, 1983, at 7:30 p.m., then and there to act on the following article:

ARTICLE 1: To see if the Town will vote to ratify the Solid Waste Disposal Service Agreement between the Town and Massachusetts REFUSETECH, Inc., including all addenda, amendments, and supplements thereto which have been authorized and approved by the Board of Selectmen and Town Manager to date, copies of which agreement, addenda, amendments and supplements are on file in the Town Clerk's office, all in compliance with and as authorized by the vote of the Annual Town Meeting held on March 11, 1978, and by the vote of the Annual Town Meeting held on April 25, 1981 ratifying the original agreement; or do anything in relation thereto.

Hereof fail not and make due return of this Warrant, or a certified copy thereof with your doings thereon to the Town Clerk as soon as may be and before said meeting. Given under our hands and seal of said town this 4th day of March, A.D., One Thousand Nine Hundred and Fighty-three.

Board of Selectmen
Rocco V. DePasquale
A. John Imbimbo
Robert J. Cain
Daniel H. Ballou, Jr.
James C. Stewart

Attest:

The Moderator was notified that a quorum was present at 7:45. The Moderator opened the meeting with the Pledge of Allegiance to the Flag after which he announced that procedures of a regular town meeting would prevail.

The moderator read the warrant as posted:

MOTION: Reginald Stapczynski, I move that the Town vote to ratify the Solid Waste Disposal Service Agreement between the Town and Massachusetts REFUSETECH, Inc., including all addenda, amendments, and supplements thereto which have been authorized and approved by the Board of Selectmen and Town Manager to date, all in compliance with and as authorized by the vote of the Annual Town Meeting held on March 11, 1978 and by the vote of the Annual Town Meeting of April 25, 1981 ratifying the original agreememt. The motion was seconded by Rocco DePasquale . The Finance Committee recommended APPROVAL. The Town Manager gave a short explanation of the need for the vote and of the recommendations of N.E.S.W.I.C when their survey was made previously. After a very short discussion period the Moderator asked for a vote. A voice vote was taken and it proved unanimous for acceptance. Motion so voted.

Before the moderator called for adjournment Mr. Jim Carroll reminded the voters in attendance of the Finance Committees hearing for the following night.

Motion was made to adjourn at 8:00 P.M. and seconded. Total number of voters present were 162 with 13 non-voters present.

Attest:

Priscilla R.W. Lynch
Town Clerk, Wilmington

WARRANT FOR THE ANNUAL TOWN MEETING - APRIL 16, 1983
WITH ACTION TAKEN THEREON

TO: EITHER OF THE CONSTABLES OF THE TOWN OF WILMINGTON:

GREETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said town, you are hereby directed to notify and warn the inhabitants of the town qualified to vote in Town affairs to meet and assemble at the High School Gymnasium, Saturday the sixteenth day of April, A.D. 1983 at 9:45 o'clock in the forenoon, the polls to be opened at 10:00 a.m. and shall be closed at 8:00 p.m. for the election of Town Offices:

ARTICLE 1. To bring in your votes on one ballot respectively for the following named offices, to wit: Two Selectmen for the term of three years, One Moderator for the term of one year; Two Members of the School Committee for the term of three years; One Member of the Housing Authority for the term of five years; One Member of the Regional Vocational School Committee for the term of three years.

Question No.1. Are you in favor of a field house as one of three alternatives for the high school renovation project?

Yes No

Question No.2. Are you in favor of changing the age in the Town's Zoning By-Law for federal or state aided housing projects for elderly persons from 65 to 62?

Yes No

Question No.3. Are you in favor of the Board of Selectmen's policy not to allow self service only gas stations in the Town of Wilmington?

Yes No

You are also hereby further required and directed to notify and warn the said inhabitants of the Town of Wilmington who are qualified to vote on elections and Town affairs therein to assemble subsequently and meet in the Town Meeting at the High School Gymnasium, Church Street, in said Town of Wilmington, on Saturday the Twenty-third day of April, A.D. 1983 at 1:30 p.m., then and there to act on the following articles:

In accordance with the above Warrant, the meeting was called to order by the Moderator Michael A. Caira, at 10:00 A.M. and as much of the Warrant as is noted above was read. With a motion of William Russell, it was moved and seconded and so voted to dispense with further reading of the Warrant.

All voting machines were opened and the Zero sheets were posted so that the candidates could examine them before the polls were opened. The checkers were prepared with their voting lists and voter identification cards and everything was in readiness at 10:00 A.M.

At 10:00 the moderator declared the polls open.

The polls were declared open at 10:00 a.m. by Moderator, John M. Callan, this being his last official act as he does not appear on this ballot. He signed the Warrant he read from and cast the FIRST vote of the day.

At 8:00 p.m. the polls were declared closed and the printer packs were removed from the back of the voting machines and one copy was given to the tally clerks, one was posted outside the railing so that each candidate could add up his own totals at once.

The Town Clerk read the results of this election at 9:45 p.m.

All the totals from the twenty-five machines plus the absentee ballots were recorded and declaration thereof made, as by law is directed and were for the following:

SELECTMEN - Three years (Vote for two)

Elected	Daniel H. Ballou, Jr., 194 Woburn Street	2022
	A. John Imbimbo, 22 Cottage Street	1373
Elected	Robert L. Doucette, 6 Allen Park Drive	1817
	Blanks	886
		6098

MODERATOR - One year (Vote for one)

The elected officials with the exception of John Brooks were sworn to the faithful performance of their duties by the Town Clerk at approximately 9:45 P.M.

The total number of votes cast were three thousand forty-nine (3,049). 31.8% of the total registered voters of which there are nine thousand five eighty-six (9,586).

Attest:

Priscilla R.W. Lynch,
Town Clerk, Wilmington

ANNUAL TOWN MEETING -APRIL 23, 1983
WITH ACTION TAKEN THEREON

With a quorum being present at 2:02 p.m., the Moderator announced that he would be opening the meeting after a few announcements, he informed the voters that there were some questionaires in the hall that would be helpful to some committees. He also explained proceedures for the town meeting. Wilmington Girls Scout troupe 692 opened the meeting with a flag ceremony that was very impressive. Rev. Fr. William P. Smith of St. Dorothys' Parish, gave the invocation.

At 2:10 p.m. there were one hundred fifty-eight (158) voters present and the meeting was called to order, and the moderator proceeded to read the warrant, he was interrupted by Chairman, Rocco V. DePasquale, "I move that the Moderator dispense with further reading of the warrant and take up and make reference to each article by number." This motion was seconded and so voted.

ARTICLE 2. To hear reports of Committees and act thereon " Rocco DePasquale, I move to pass over this article ". Motion was seconded and so voted.

ARTICLE 3: To see if the Town will vote to raise and appropriate a sum of money for the purpose of paying unpaid bills of previous years; or do anything in relation thereto. Motion by Rocco DePasquale, " I move to pass over this article." Motion was seconded and so voted.

ARTICLE 4: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1983, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17; or do anything in relation thereto.

Motion by R.S. Stapczynski, "I move that the Town vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1983, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17. Motion was seconded and so voted

ARTICLE 5: To see how much money the Town will appropriate for the expenses of the Town and the salaries of several Town Officers and Departments and determine how the same shall be raised, whether by taxation, transfer from available funds, or otherwise; or do anything in relation thereto.

MOTION by James Carroll, "I move that the several and respective sums as reommmended and presented by the Finance Committee be raised by taxation or by transfer from available funds and appropriated for the purpose set forth in Article #5, each item to be taken up and voted on, subject to amendment, and each line item not be open for reconsideration until the entire budget is voted. Motion was seconded and so voted.

At this point in the meeting the Moderator announced that we had some visitors from distant lands. The International Visitors Operation Crossroads Africa deligation from the Department of State brought with them guest from Cambia, Zimbabnea, Sudan, Nigeria, Tanzania, Swaziland, and Kampale Uganda. The voters gave them a raising applause to welcome them.

Section 26Cpertaining to certain public accommodations; automatic smoke and heat detectors
Section 26E pertaining to smoke detectors
Section 26G pertaining to automatic sprinklers

Motion was seconded and Fire Chief Dan Wandell spoke on what the acceptance would do. Motion so voted.

ARTICLE 12: Taken as #21, To see if the Town will vote to raise and appropriate a sum of money for the purpose of laying a water main of not less than 6 inches but less than sixteen inches in diameter for a certain distance in Aldrich Road as shown on a plan on file in the office of the Town Engineer, in accordance with the recommendations of the Board of Water and Sewer Commissioners acting under the provisions of General Laws, Chapter 40, Section 42G through 42I inclusive, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. (Water and Sewer Commission)

Finance Committee recommended approval Motion by George Allan, "I move that the Town vote to appropriate $22,200. for the purpose of laying a water main of not less than 6 inches but less than sixteen inches in diameter in Aldrich Road for an approximate distance of 600 feet as shown on a plan on file in the office of the Town Engineer, in accordance with the recommendations of the Board of Water and Sewer Commissioners acting under the provisions of General Laws, Chapter 40, Section 42G through 42I inclusive, and that said appropriation be raised by transfer from the follwoing Water Department Accounts:
$4,952.75 from Account #6160.11630 entitled Oakwood Road Water Betterment Account.
$4,375.40 from Account 6160.11750 entitled Main Street Water Betterment Account. and
$12,871.85 from Account 6160.11680 entitled Water Distribution System Account.
Motion was seconded and so voted $22,200

ARTICLE 13: Taken as #19, To see if the Town will vote to appropriate a sum of money for the construction of sewers, sewerage systems and sewage treatment and disposal facilities in Cedar Street as shown on a plan on file in the office of the Town Engineers, and for the acquisition of interests in land whether by purchase, eminent domain or otherwise, and to authorize the assessment of betterments, all in accordance with Chapter 297 of the Acts of 1958 and all Acts in amendment and in addition thereto and other General or Special laws hereto enabling; to determine whether said funds shall be raised by taxation, transfer from available funds, or by borrowing under the provisions of Chapter 44, or by any combination thereof; and to authorize the Board of Water & Sewer Commissioners and/or the Board of Selectmen to apply for any Federal and State Aid which may be available as contributions to be applied toward the cost of the project, or do anything in relation thereto. (Water & Sewer Commission) 2/3 vote required, Finance Committee recommended approval Planning Board recommended APPROVAL.

Motion, Robert L. Doucette, I move that the Town authorize the Wilmington Water & Sewer Commissioners, Board of Selectmen and/or Town Manager to expend any Federal and State Aid which is or may be available for the purpose of the construction of sewers, sewerage systems and sewage treatment and disposal facilities in Cedar Street and extensions thereof as shown on a plan on file in the office of the Town Engineer, and for the acquisition of interests in land whether by purchase, emenent domain or otherwise, and to authorize the assessment of betterments, all in accordance with Chapter 297 of the Acts of 1958 and all Acts in amendment and in addition thereto and other General or Special laws hereto enabling; said parcels of land being described as follows:

Bound southerly by the southerly sideline of Cedar Street, 311 ft.;
westerly by the westerly sideline of Cedar Street, 42,9 ft.;
northerly by the northerly sideline of Cedar Street, 300 ft.;
easterly across Cedar Street to the westerly sideline of Harris Street, 40 ft.;
and westerly by the easterly sideline of Burt Road, 40 ft.;
northerly by the northerly sideline of Cedar Street, 300 ft.;
easterly by the easterly sideline of Hillcrest Street, 40 ft.;
Southerly by the southerly sideline of Cedar Street, 300 ft.

Motion was seconded and so voted unanimous

ARTICLE 14. To see if the Town will vote to authorize the Water & Sewer Commission to accept by grant the care custody and control of exclusive easement in gross for sanitary sewer utility purposes in, on and under the land situated in Wilmington, Middlesex County, Massachusetts shown as"30' Wide Sewer Easement" on a plan entitled "Plan of Land in Wilmington, Massachusetts Owned by Compugraphic Corporation" Scale 40 feet to an inch, dated May 20, 1982, by Robert E. Anderson, Inc., which plan is recorded with Middlesex County North District Registry of Deeds in Plan Book_____, Plan _____. and which is more particularly bounded and described as beginning at a point on the westerly sideline of Olde Ballardvale Street at the northeasterly corner of land of B.V.R.C. Corporation, all as shown on said plan; then running N34O'53'40"W 237.84 feet to a point; then running S 55°06'20"W 270 feet to a point; then running N 34°53'40"W 925.13 feet to a point; then running N 09°11'45"E 50.74 feet to a point at land of Route 93 Real Estate Trust as shown on said plan; then running N 89°29'53"E 30.43 feet to a point; then running S 09°11'45"W 43.72 feet to a point; then running S 34°53'40"E 882.98 feet to a point; then running N 55°06'20"E 270 feet to a point; then running S 34°53'40"E 249.43 feet to a point; then running S 30°47'43"W 8.96 feet to a point; then running S 21°07'02"W 26.33 feet to the point of beginning

Said easement includes the right to lay, construct, reconstruct, operate, maintain, repair, replace and remove sewer pipes and their appurtenances within the land subject to said easement, and to enter upon said land at all reasonable times and to dig up such portion of said land as may be desired for said purposes, subject to the condition that any such work shall comply with the rules, regulations and specifications of the Board of Water and Sewer Commissioners of the Town of Wilmington. In the event that the above-described land is dug up or disturbed by the grantee pursuant to the above, the grantee agrees to restore said premises within a reasonable time to their previous condition.

For grantor's title see deed of Joseph Leto, et al., dated April 27, 1979, and recorded with Middlesex County North District Registry of Deeds in Book 2364, Page 238, copy of plan on file at the Town Engineer's office. (Water & Sewer Commission) Finance Committee recommended approval

Motion by James C. Stewart," I move that the Town vote to authorize the Water & Sewer Commission to accept by grant the exclusive easement in gross for sanitary sewer utility pruposes in, orn and under the land situated in Wilmington, Middlesex County, Massachusetts shown as "30' Wide Sewer Easement" on a plan entitled "Plan of Land in Wilmington, Massachusetts Owned by Compugraphic Corporation" Scale 40 Feet to an inch, dated May 20, 1982 by Robert E. Anderson, Inc..which plan is to be recorded with said deed of easement and which is more particularly bounded and described as beginning at a point on the westerly sideline of Olde Ballardvale Street at the northerly corner of land of B.V.R.C. Corporation, all as shown on said plan; then running N34°'53'40"W 237.84 feet to a point; then running S 55°06'20"W 270 feet to a point; then running N 34°53'40"W 925.13 feet to a point; then running N 09°11'45"E 50.74 feet to a point at land of Route 93 Real Estate Trust as shown on said plan; then running N89°29'53"E 30.43 feet to a point; then running S 09°11'45"W 43.72 feet to a point; then runnign S 34°53'40"E 882.98 feet to a point; then running N 55°06'20"E 270 feet to a point; then running S 34°53'40"E 249.43 feet to a point; then running S 30°47'43"W 8.96 feet to a point; then running S21°07'02"' W 26.33 feet to the point of beginning; also to accept a grant of the sewer pipes and all appurtenances.

Said easement includes the right to lay, construct, reconstruct, operate, maintain, repair, replace and remove sewer pipes and their appurtenances within the land subject to said easement, and to enter upon said land at 11 reasonable times and to dig up such portion of said land as may be desired for said purposes, subject to the condition that any such work shall comply with the rules, regulations and specifications of the Board of Water and Sewer Commissioners of the Town of Wilmington. Motion seconded so voted

Wilmington, Massachusetts

TOWN OF WILMINGTON, MASSACHUSETTS

WARRANT

SPECIAL TOWN MEETING

TO: THE CONSTABLES OF THE TOWN OF WILMINGTON,

Greetings: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at Barrows Auditorium, Wilmington High School, on Monday, the sixteenth day of May, 1983, at 7:30 p.m., then and there to act on the following articles:

ARTICLE 1. To see if the Town will vote to amend the Zoning By-law by deleting in its entirety the existing Zoning By-law and Maps of the Town of Wilmington and by adopting in place thereof the proposed Town of Wilmington Zoning By-law and Maps, both of which are on file in the office of the Town Clerk, Town Hall, Wilmington, Massachusetts and a copy of the proposed Zoning By-law is attached hereto and marked "Appendix A"; or do anything in relation thereto.
(Planning Board)

ARTICLE 2. To see if the Town will vote to amend the Zoning By-law as adopted under Article 1 as follows:

a) By adding a new Section 7. Planned Residential Development District and renumbering Section 7. Administration and Enforcement to read Section 8. Administration and Enforcement.

b) By adding a new Section 1.3.10 as follows:
"1.3.10 Planning Board: The Town of Wilmington Planning Board which for the purpose of Chapter 40A shall be deemed the Special Permit Granting Authority for those petitions where the By-law specifically authorizes the Planning Board."
and by renumbering the existing Subsections 1.3.10 through 1.3.15 as Subsections 1.3.11 through 1.3.16.

c) By adding under Residence Districts in Subsections 2.1 Classification of District the words "Planned Residential Development PRD"

(Article 2 continued)

d) By adding in Subsection 8.4 Rules and Regulations, in line 1 after the words "The Board of Appeals", the words "and the Planning Board".

e) By adding in Subsection 8.5 Special Permit, in line 2 after the words "The Board of Appeals", the words "or where this By-law specifically authorizes the Planning Board", and by adding in line 12 and line 17 after the words "Board of Appeals", the words "or the Planning Board".

as contained in "Appendix B" of the Special Town Meeting warrant attached hereto and copy thereof is on file at the office of the Town Clerk, Town Hall, Wilmington, Massachusetts. (Planning Board)

ARTICLE 3. To see if the Town will vote to raise and appropriate a sum of money for the purpose of replacing certain 2" mains in the Hathaway Acres area and/or the Oakridge Circle, Marcus Road area with mains of not less than 6" inches but less than sixteen inches in diameter as shown on plans on file in the office of the Superintendent of the Water Department, in accordance with the recommendations of the Board of Water & Sewer Commissioners acting under the provisions of General Laws, Chapter 40, Section 42G through 42I inclusive, and for the acquisition of interests in land whether by purchase, eminent domain or otherwise; to determine whether said funds shall be raised by taxation, transfer from available funds, or by borrowing under the provisions of Chapter 44 or by any combination thereof, and to authorize the Board of Water and Sewer Commissioners and/or the Board of Selectmen to apply for any Federal and State Aid which may be available as contributions to be applied toward the cost of the project; or do anything in relation thereto.(Water and Sewer Commissioners)

Hereof fail not and make due return of this Warrant, or a certified copy thereof with your doings thereon to the Town Clerk as soon as may be and before said meeting. GIVEN UNDER OUR HANDS AND SEAL OF SAID TOWN THIS 25th day of April, A.D., One Thousand Nine Hundred and Eighty-three.

s/Rocco V. DePasquale
s/Robert J. Cain
ATTEST: s/Daniel H. Ballou, Jr.
s/James C. Stewart
s/Robert L. Doucette

A quorum was present at 7:30 P.M. with many people still being checked in by the checkers. At 7:45 the Moderator opened the meeting with the Pledge of Allegiance to the Flag, after which he started reading the Warrant, just before Article #1 he was interrupted by Chairman Ballou with a motion. "I move we dispense with the further reading of the warrant and take each article as they are drawn." motion was seconded and so voted. Moderator Caira explained the By-Laws of the Town Meeting and proceedures. First drawn article was #3.

Article 3. Motion #1, George R. Allen, Water Commissioner, "I move that the Town vote to raise and appropriate $347,000. for the purpose of replacing 2" mains with 6" mains for certian distances in the following streets

Truman Road	Sewell Road
Dayton Road	Sheridan Road
Chase Road	Chapman Avenue
Carson Avenue	Coolidge Road
Pilling Road	Oakridge Circle
Gunderson Road	Marcus Road

under the provisions of General Laws, Chapter 40, section 42 G through 42 I inclusive, otherwise known as the Betterment Act, and for the acquisition of interests in land whether by purchase, by eminent domain or otherwise, and to meet said appropriation the Treasurer with the approval of the Board of Selectmen is hereby authorized to borrow the sum of $347,000. under and pursuant to Chapter 44, Section 8, Clause 5 of the General Laws, as amended, and to issue the bonds or notes of the Town therefor at one time, or from time to time, each issue of such bonds or notes to be payable in not more than 15 years from it's date, and the Board of Selectmen and/or the Board of Water and Sewer Commissioners are hereby authorized to apply any Federal and State Aid that may be available toward the total cost of the project." Motion was seconded....Finance Committee recommended tabling this article.for lack of information.

(Article 3 continued)
Motion #2 by Chairman Carroll, "I move that Article 3 be tabled indefinitely pending receipt of further information.".Motion was seconded. This motion LOST by voice vote.
Motion #3, Larz Neilson, "I move to refer this article to a Study Committee, to be appointed by the Town Manager. This committee is to be instructed to make a detailed set of recommendations, concerning water betterments policy, and to report at the next Special Town Meeting. At that time this article can be taken from the table, and brought to the floor for further action." This motion was changed to give a period of three months time to act. seconded This motion LOST by voice vote.
Motion #4, by Daniel Ballou, "I move that the Town vote to raise and appopriate $347,000. for the purpose of replacing 2" mains with 6" mains for certain distances in the following streets: (Streets listed were the same as main motion) and for the acquistion of interests in land whether by pruchase, by eminent domain or otherwise, and to meet said appropriation the Treasurer, with the approval of the Board of Selectmen, is here by authorized to borrow the sum of $347,000. under and prusuant to Chapter 44, Section 8, Clause 5 of the General Laws, as amended, and to issue the bonds or notes of the Town therefor at one time, or from time to time, each issue of such bonds or notes to be apuable in not more than 15 years form it's date, and the Board of Selectmen and/or the Board of Water and Sewer Commissioners are hereby authorized to apply any Federal and State Aid that may be available toward the total cost of the project." Motion was seconded and So voted.
Main motion as amended by Motion #4 by Dan Ballou was Unanimously SO VOTED.

Because of the connection between Article 1 & 2 the Moderator took Article 1. next.
ARTICLE #1

MOTION, William G. Hooper, Jr. Chairman of the Planning Board "I move that the Town vote to amend the Zoning By-Law by deleting in its entirety the existing Zoning By-Laws and Maps of the Town of Wilmington and by adopting in place thereof the Town of Wilmington Zoning By-Law and Maps as contained in Appendix A of the Special Town Meeting Warrant. The complete text of the proposed Zoning By-Law and Maps contained in Appendex A are on file at the office of the Town Clerk, Town Hall, Wilmington, Mass." Motion was seconded
Finance and Planning Board reommmended approval. Anthony Gentile explained the changes and reasons for them. He then introduced Kevin Hurley, Planning Consultant for the revisions. He explained that he would be reading or describing each section independently and a vote would be taken at the end of each section.

Section 1. was read and the voice vote was not unanimous so the moderator asked for a standing vote as 2/3 vote is needed. The vote was 230 yes 11 no SO VOTED

Section 2 was reviewed voted with the only change being a correction of Z-Zone to A-Zone in section 2.3.5.1 & 2.3.5.2. The vote on this section was UNANIMOUS.

Section 3 was reviewed and had five proposed amendments. #1, "I A Daniel Gillis, amend Section 3.3.3 by adding the words "and Handicapped" after the word elderly, the last word of this section." seconded. This amendment was SO VOTED. #2, "Margaret McNeil moved to delete section 3.3.3 and replace it with the old section 3.3 of the old by-laws. This motion was seconded and voted LOST by voice vote. #3 Dennis Volpe, "I move that section 3.3.2 be amended to delete the words "existing prior to Jan. 1, 1965" seconded and voted LOST by voice vote. #4 Domenic Tutela " I move that section 3.3.2 be amended by striking out 3.3.2 and replacing with 'alterations and conversion of a one-family detached dwelling containing at 2400 square feet of floor area for use as a two-family dwelling, each unit of which contains at least eight hundred (800) square feet of floor area.'" motion seconded and voted yes 66 no 127 LOST. Motion #5 Domemic Tutela "I move that section 3 be amended by striking out section 3.3.4." seconded and voted LOST by voice vote.
Section 3 as amended in section 3.3.3 was voted yes 161 no 20 SO VOTED..

Section 4 was reviewed and had only two proposed amendments. #1 John Sanborn, "I move 4.1.4 be removed completely." motion seconded and voted LOST by voice vote.
#2. Henry Sullivan, "I move to delete section 4.1.10 in its entirety. Mr. Sullivan later withdrew this motion. Section 4 was voted with no changes by standing vote and voted 143 yes no 10 Motion so voted

Section 5. was reviewed and the only motion was by William Hooper of the Planning Board, "I move to change Section 5.2.3 Lot Width as it appears in Article 1 to read as follows: '5.2.3 Lot Width - The lot width shall permit a circle with a diameter not less than the minimum lot width in feet to be located at the sideline of the street right of way along which the frontage of the lot is measured without the circumference of such circle intersecting any lot lines.' motion was seconded SO VOTED by voice vote. Section 5 as amended was then voted UNANIMOUSLY SO VOTED

Section 6. was reviewed and had just one motion, section 6.3.2.2 Robert Cain, "All signs consisting of spinners, strings or non-holiday lights, revolving, beacons, searchlights, animated signs and signs illuminated to create the illusion of motion are prohibited. Ribbons and streamers may be permitted by Special Permit from the Board of Appeals...Motion was seconded and SO VOTED.
Attorney Joseph Courtney raised a point of intent." Is it the intention of the Planning Board that the 'Site Design standards' and 'Site Plan Review' provisions contained in Section 6 shall be applicable retroactively to prior existing buildings, and uses, and previously approved sites and permits?" Both Anthony Gentile and Kevin Hurley answered Mr Courtney in the negative. He asked that this be recorded in these minutes. Section 6 as amended in section 6.3.2.2 was then UNANIMOUSLY SO VOTED.

Section 7 was reviewed and had one amendment proposed. M. Barbara Sullivan, "I move that Section 7.5 of the proposed Zoning By-law be amended to include the addition of the following subsection:

7.5.9 Conditions for Approval of a Special Permit - The Board of Appeals shall not approve any such application for a special permit unless it finds that all of the following conditions are met:

1. The subject land is located in a district where the use requested is permitted by special permit as a special exception pursuant to the provisions of the Zoning By-law;
2. The specific site is an appropriate location for such a use, structure or condition.
3. The requested use will not create undue traffic congestion or unduly impair pedistrian safety;
4. The requested use will not overload any public water, drainage, or sewer system, or any other municipal system to such an extent that the requested use or any developed use in the immediate area or in any other area of the town will be unduly subjected to hazards affecting health , safety, or the general welfare, directly caused by the requested use, and non-preventable by any condition of approving the special permit;
5. The requested use will not impair the integrity or character of the district, neighborhood or adjoining districts nor be detrimental to the public health, safety, convenience or welfare.

This amendment was seconded and voted by a standing vote LOST yes 33 no 80.
Mrs Sullivan had a few more additions as the Open meeting law and reference to Chapter 40A details, but withdrew them after questioning.
Section 7 was then voted UNANIMOUSLY. with no changes.

The NEW ZONING BY-LAWS were then voted upon with a UNANIMOUS vote in the AFFIRMATIVE

ARTICLE 2. Motion, William Hooper, Jr. "I move that the town vote to amend the Zoning By-law as adopted under Article 1 as follows:

a) By adding a new Section 7. Planned Residential Development District and renumbering Section 7. Administration and Enforcement to read Section 8. Administration and Enforcement.

b) By adding a new Section 1.3.10 as follows:
"1.3.10 Planning Board: The Town of Wilmington Planning Board which for the purpose of Chapter 40A shall be deemed the Special Permit Granting Authority for those petitions where the By-law specifically authorizes for Planning Board."
and by renumbering the existing Subsection 1.3.10 through 1.3.15 as Subsections 1.3.11 through 1.3.16.

c) By adding under Residence Districts in Subsection 2.1 Classification of District the words

(Special Town Meeting - Article 2, continued)

"Planned Residential Development PRD"

d) By adding in Subsection 8.4 Rules and Regulations, in line 1 after the words "The Board of Appeals", the words "or where this By-law specifically authorizes the Planning Board".

e) By adding in Subsection 8.5 Special Permit, in line 2 after the words "The Board of Appeals", the words "or where this By-law specifically authorizes the Planning Board". and by adding in line 12 and line 17 after the words "Board of Appeals, the words, "or the Planning Board".

as contained in "Appendix B" of the Special Town Meeting Warrant attached hereto and copy thereof is on file at the office of the Town Clerk, Town Hall, Wilmington, Massachusetts...Motion was seconded.

..At this point John Sanborn questioned the quorum, seven voters stood with him to do the same. The moderator had the tellers take a head count and found that we had 143 voters in attendance. Their being a lack of quorum the moderator asked for a motion to adjourn until 7:30 Tuesday evening the 17th of May, 1983, was so motioned and seconded The meeting adjourned at 11:35 P.M. Their had been 388 voters checked into the meeting during the evening

The Town Clerk posted in each precinct the notice of adjournment the following morning.

TO WHOM IT MAY CONCERN:
The adjourned portion of the Special Town Meeting of May 16, 1983 will resume at 7:30 P.M. in the Barrows Auditorium, of the High School May 17, 1983. To see if the town will vote to accept Planned Residential Development District , which is Article 2. a new section to the newly adopted Zoning By-laws.

s/Priscilla R.W. Lynch
Town Clerk, Wilmington, MA

ATTEST:

ADJOURNED SPECIAL TOWN MEETING
MAY 17, 1983

With a quorum being present at 8:05 P.M. the moderator announced the opening of the meeting. He opened with the Pledge of Allegiance to the Flag.

Motion for Article 2 having been made and seconded before adjournment last evening the moderator asked that Mr. Gentile explain P.R.D. Mr. Kevin Hurley was again introduced and explained the article section by section briefly. Planning Board and Finance Commitee had both approved this article.
After some discussion and questions the motion was voted by standing vote.
Yes 127 No 40. 2/3s being required it was so voted

With all article to come before this meeting having been acted upon the moderator asked for a motion to adjourn, motion was so made and seconded. The meeting adjourned at 8:44 P.M. with 181 voters being present.

The Zoning By-Laws and their amendments (including Article 2, P.R.D.) have been voted by a count shown or a unanimous vote and are as shown in the previous pages.

Attest

Priscilla R.W. Lynch
Town Clerk,
Wilmington Massachusetts

TO: THE CONSTABLES OF THE TOWN OF WILMINGTON,

Greetings: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at Barrows Auditorium, Wilmington High School, on Monday, the nineteenth day of September, 1983, at 7:30 p.m., then and there to act on the following articles:

ARTICLE 1: To see how much money the Town will further appropriate for the expenses of the Town and the salaries of several Town Officers and Departments, and determine how the same shall be raised whether by taxation, transfer from available funds, or otherwise; or do anything in relation thereto.

ARTICLE 2: To see if the Town will vote to amend the Zoning By-Law and Zoning Map of the Town of Wilmington by voting to rezone from Residence 60 District to General Industrial District the following described parcel of land on Ballardvale Street, containing in total 104.9 acres, more or less, and bounded and described as follows:

A certain parcel of land located in the northern portion of the Town of Wilmington, Middlesex County, Massachusetts on the easterly side of Ballardvale Street being further bounded and described as follows:

Beginning at a point on the easterly sideline of Ballardvale Street at the southwesterly corner of the premises herein described and at the northwesterly corner of adjacent land owned by Robert W. Murray.
thence, N31°27'07" E by the easterly sideline of Ballardvale Street a distance of 10.20 feet to a point;
thence, by the easterly sideline of Ballardvale Street by a curved line to the left having a radius of 487.54 feet, a length of 383.79 feet to a point;
thence, N13°39'03" W by the easterly sideline of Ballardvale Street a distance of 174.39 feet to a point;
thence, by the easterly sideline of Ballardvale Street by a curved line to the right having a radius of 322.67 feet, a length of 178.30 feet to a point;
thence, N18°00'37" E by the easterly sideline of Ballardvale Street a distance of 254.46 feet to a point;
thence, by the easterly sideline of Ballardvale Street by a curved line to the right having a radius of 1196.52 feet, a length of 194.68 feet to a point;
thence, N27°19'57" E by the easterly sideline of Ballardvale Street a distance of 890.33 feet to a point;
thence, by the easterly sideline of Ballardvale Street by a curved line to the left having a radius of 480.25 feet, a length of 157.44 feet to a point;
thence, N8°32'58" E by the easterly sideline of Ballardvale Street a distance of 70.10 feet to a point at the land now or formerly of Roncalli Civic Properties Association, Inc.;
thence, N82°16'05" W by the land of Roncalli Civic Properties Association, Inc., a distance of 1903.55 feet to a point at the land now or formerly of the Town of Wilmington;
thence, southeasterly by the land now or formerly of the Town of Wilmington a distance of 183± feet to a point at the land now or formerly of Elsusapa Realty Trust, Anthony Paolini, Trustee;
thence, northeasterly by the land now or formerly of the Town of Wilmington a distance of 86± feet to a point at the land now or formerly of Albert G. Fiorenza;
thence, southeasterly by the land now or formerly of Albert G. Fiorenza and land now or formerly of owners unknown a distance of 1316± feet to a point at the land now or formerly of Frank P. Sciarappa;
thence, southwesterly by the land now or formerly of Frank P. Sciarappa, land now or formerly of New Fngland Power Company, and land now or formerly of Henry E. Brooks a distance of 2005± feet to a point on a stone wall at the land now or formerly of New England Power Company;
thence, S 13°48'26" W by the land now or formerly of Henry E. Brooks a distance of 200.00 feet to a point at the land now or formerly of Robert W. Murray;
thence, N 81°01'34" W by the land now or formerly of Robert W. Murray a distance of 592.69 feet to a point on the easterly sideline of Ballardvale Street and the point of beginning.
Said parcel of land containing 104.9 acres more or less according to deeds of record and the Town of Wilmington Assessor's maps. Said parcel being shown as lots 28, 30, 31, 31A, 32, 32A, 35 - 38, 40 - 43, and 45 - 47 on Assessors' Map R-3.

(Special Town Meeting continued)
Meaning and intending to include all of the land within the above-described area owned by the following parties as contained in deeds recorded in the Middlesex County Registry of Deeds, Northern District, Lowell, Massachusetts:

Article 2. Motion, Joseph Courtney, I move that the Town vote to amend the Zoning By-Law and Map of the Town of Wilmington by voting to rezone from Residence 60 District to General Industrial District the following described parcel of land on Ballardvale Street, containing a total of 104.9 acres, more or less and bounded and described as follows, as in the main motion, Motion Seconded.
During the discussion Tambone Corporation Corporation made a public statement as follows, to be incorporated into these minutes.

STATEMENT OF TAMBONE CORPORATION

If the Special Town Meeting of the Town of Wilmington scheduled for September 19, 1983, votes as provided in Article 2 to rezone land on Ballardvale Street from Residential 60 District to General Industrial District, Tambone Corporation, its nominees, assigns and successors in title to said land , herewith promise and agree that the land subject to such rezoning will be developed and built upon subject to the condition that the following principal uses enumerated as provided in the Zoning By-Law will be excluded from said land:

ZONING BY-LAW REFERENCE	SPECIFIED EXCLUDED USES
3.5.9	Veterinary Care
3.5.14	Auto Service Station and Car Wash
3.5.15	Auto Repair and Body Shop
3.5.16	Vehicular Dealership
3.4.2	Bulk Materisls Storage and Sale (except distribution or sale at wholesale or retail of materials, merchandise, products or equipment, as provided in Section 3.6.2)
3.6.3	Heavy Vehicular Dealership and Repari Garage
3.6.6	General Manufacturing (except scientific research and development), and the manufacturing of textile products or similar general manufacturing plants and facilities as provided in section 3.6.6

In addition, Tambone Corporation further promises and agrees to exclude from said land the manufacture of chemicals, the manufacture, moulding or extrusion of plastics, and the operation of trucking terminals.
Tambone Corporation promises and agrees to assent to the further rezoning of said land to Industrial Park District as a subsequent Special or Annual Town Meeting, provided the Wilmington Zoning By-Law is first amended to incorporate the foregoing uses excepted from this agreement.

Tambone Corporation
s/Anthony A. Tambone
Executive Vice President

Joseph F. Courtney
Legal Counsel-Tambone Corporation

Received September 19, 1983
Michael A. Caira, Moderator

Finance Committee recommended Approval, Planning Board recommended Approval of the Industrial Park rezoning NOT General Industrial.
A standing vote was taken after all the discussion and reading of the Tambone statement
YES 198 NO 27 SO VOTED

Article 3. Motion, Thomas R. Roussell, I move that the Town vote to amend the zoning By-Law and Zoning Map of the Town of Wilmington by voting to rezone from Residential 60 (R-60) to General Industrial (GI) parcels of and described as follows, motion follows the same as the original article. Motion was seconded

Finance Committee recommended Approval, Planning Board recommended Approval as Industrial Park NOT General Industrial standing vote
YES 163 NO 16 SO VOTED

With the three articles concluded the moderator reminded the people of the Octobver 24th Special Town Meeting, and Rocco DePasquale asked all that could attend the DPW hearing meeting Wednesday the 21st to please do so. The meeting adjourned at 9:07 having had 274 voters in attendance and 18 Non-Voters..

Chairman, Board of Selectmen
s/ Rocco V. DePasquale
s/ Robert J. Cain
Attest: s/ James C. Stewart
s/ Robert L. Doucette

A quorum being present at 7:40 P.M. the Moderator declared the meeting open for the business to come before it. He opened with the Pledge of Allegiance to the Flag, after which he asked that we observe a moment of silence for the Marines lost in Beirut this weekend.

The Moderator began reading the Warrant and was interrupted by Chairman, Dan Ballou; "I move that the Moderator dispense with further readihg of the warrant and takeup and make reference to each article by number as drawn." The motion was seconded and so voted, because of our lottery system of selection the moderator drew the first article to come before the meeting, Article 2,3 & 4 was the first draw, as all are dependent upon each other they were on one slip.

ARTICLE 2: To see if the Town will vote to amend the Zoning By-Law and Zoning Map of the Town of Wilmington by voting to rezone from Residence 60 (R60) and General Industrial (GI) to Industrial Park (IP) the following described parcel of land:

Beginning at a point in the northerly sideline of State Route 125, said point being a Mass. Highway Bound at the southeasterly corner of the land of Winchell; thence N 27°36'18" E distant 397.04 feet, N 69°29'22" W distant 98.42 feet, N 60°39'35" W distant 19.48 feet, thence S 88°32'38" W distant 32.39 feet, S 65°13'21" W distant 14.67 feet, S 10°56'32" W distant 49.33 feet, S 20°01'01" W distant 51.66 feet, S 31°34'16" W distant 30.46 feet, S49°03'49" W distant 14.15 feet, S 55°54'16" W distant 12.65 feet, S 69°19'17" W distant 14.20 feet, S 86°1u'59" W distant 14.72 feet, N 86°09'24" W distant 149.73 feet, N 70°29'54" W distant 200.00 feet, by the land of Winchell;thence N 07°51'02" E distant 320.41 feet, N 09°07'30" E distant 132.05 feet, N 12°44'31" E distant 97.13 feet, N 00°06'06" E distant 177.08 feet, N 18°54'19" W distant 127.27 feet by the land of Andrews; thence S 86°21'00" E distant 270.84 feet, S 87°11'12" E distant 88.00 feet, S 86°50'37" E distant 179.74 feet, S 87°20'32" E distant 197.00 feet, S 86°47'20" E distant 167.74 feet, S 88°11'34" E distant 53.27 feet, S 86°14'40" E distant 73.01 feet, N 71°06'29" E distant 169.20 feet, N 66°51'49" E distant 202.28 feet, N 75°34'09" E distant 59.89 feet, N 76°28'23" E distant 250.45 feet, N 71°47'52" E distant 157.66 feet by the land of Sciarappa; thence N 70°54'17" E distant 72.80 feet, N 73°34'14" E distant 248.07 feet, S 11°54'16" E distant 142.72 feet, by the land of the Town of North Reading; thence S 53°55'50" W distant 2234.08 feet by State Route 125, being marked Map R-1 Parcel 36A containing 29.884 acres all as shown on plan entitled: "Plan of Land in Wilmington, Mass., Owned by the Town of Wilmington, Scale 100 feet to an inch, Sept. 7, 1983, Robert E. Anderson Inc., Reg. Professional Engineer, Reg. Land Surveyors, 178 Park Street, P.O. Box 177, North Reading, Mass., which plan is on file in the office of the Town Clerk; or do anything in relation thereto.

Article 2. Motion, Rocco DePasquale, "I move to amend the Zoning By-Law and Zoning Map of the Town of Wilmington by voting to rezone from Residence 60 (R60) and General Industrial (GI) to Industrial Park (IP) the described parcel of land:, with the description being the same as the printed article, it was not read. Motion was seconded, Finance Committee recommended approval, Planning Board recommended approval, Rocco spoke for the article and then George Allen explained the reason for the rezoning and sale of this parcel. The voters professed their concern as to traffic, more rezoning, etc. After much discussion a vote was taken with 2/3s being required for rezoning. Vote was YES 252 NO 188 for want of 2/3s LOST

ARTICLE 3: To see if the Town will vote to authorize and direct the Selectmen and/or the Water and Sewer Commissioners to petition the General Court to approve under Article XLIX of the Massachusetts Constitution the sale or lease of a certain parcel of town-owned land bound and described as follows:

Beginning at a point in the northerly sideline of State Route 125, said point being a Mass. Highway Bound at the southeasterly corner of the land of Winchell; thence N 27°36'18" E distant 397.04 feet, N 69°29'22" W distant 98.42 feet, N 60°39'35" W distant 19.48 feet, thence S 88°32'38" W distant 32.39 feet, S 65°13'21" W distant 14.67 feet, S 10°56'32" W distant 49.33 feet, S 20°01'01" W distant 51.66 feet, S 31°34'16" W distant 30.46 feet, S49°03'49" W distant 14.15 feet, S 55°54'16" W distant 12.65 feet, S 69°19'17" W distant 14.20 feet, S 86°16'59" W distant 14.72 feet, N 86°09'24" W distant 149.73 feet, N 70°29'54" W distant 200.00 feet, by the land of Winchell;
thence N 07°51'02" E distant 320.41 feet, N 09°07'30" E distant 132.05 feet, N 12°44'31" E distant 97.13 feet, N 00°06'06" E distant 177.08 feet, N 18°54'19" W distant 127.27 feet by the land of Andrews; thence S 86°21'00" E distant 270.84 feet, S 87°11'12" E distant 88.00 feet, S 86°50'37" E distant 179.74 feet, S 87°20'32" E distant 197.00 feet, S 86°47'20" E distant 167.74 feet, S 88°11'34" E distant 53.27 feet, S 86°14'40" E distant 73.01 feet, N 71°06'29" E distant 169.20 feet, N 66°51'49" E distant 202.28 feet, N 75°34'09" E distant 59.89 feet, N 76°28'23" E distant 250.45 feet, N 71°47'52" E distant 157.66 feet by the land of Sciarappa; thence N 70°54'17" E distant 72.80 feet, N 73°34'14" E distant

Anderson Inc., Reg. Professional Engineer, Reg. Land Surveyors, 178 Park Street, P.O. Box 177, North Reading, Mass., which plan is on file in the office of the Town Clerk; or do anything in relation thereto.

Article 3. Motion, James Stewart, "I move that we pass over article 3." Finance Committee had approved, Planning Board made No recommendation. Motion to pass over was seconded and so voted.

ARTICLE 4: To see if the Town will vote to authorize the Selectmen and/or the Water and Sewer Commissioners to sell or lease to Dynamics Research Corporation a certain parcel of town-owned land bound and described as follows:

Beginning at a point in the northerly sideline of State Route 125, said point being a Mass. Highway Bound at the southeasterly corner of the land of Winchell; thence N 27°36'18" E distant 397.04 feet, N 69°29'22" W distant 98.42 feet, N 60°39'35" W distant 19.48 feet, thence S 88°32'38" W distant 32.39 feet, S 65°13'21" W distant 14.67 feet, S 10°56'32" W distant 49.33 feet, S 20°01'01" W distant 51.66 feet, S 31°34'16" W distant 30.46 feet, S49°03'49" W distant 14.15 feet, S 55°54'16" W distant 12.65 feet, S 69°19'17" W distant 14.20 feet, S 86°16'59" W distant 14.72 feet, N 86°09'24" W distant 149.73 feet, N 70°29'54" W distant 200.00 feet, by the land of Winchell; thence N 07°51'02" E distant 320.41 feet, N 09°07'30" E distant 132.05 feet, N 12°44'31" E distant 97.13 feet, N 00°06'06" E distant 177.08 feet, N 18°54'19" W distant 127.27 feet by the land of Andrews; thence S 86°21'00" E distant 270.84 feet, S 87°11'12" E distant 88.00 feet, S 86°50'37" E distant 179.74 feet, S 87°20'32" E distant 197.00 feet, S 86°47'20" E distant 167.74 feet, S 88°11'34" E distant 53.27 feet, S 86°14'40" E distant 73.01 feet, N 71°06'29" E distant 169.20 feet, N 66°51'49" E distant 202.28 feet, N 75°34'09" E distant 59.89 feet, N 76°28'23" E distant 250.45 feet, N 71°47'52" E distant 157.66 feet by the land of Sciarappa; thence N 70°54'17" E distant 72.80 feet, N 73°34'14" E distant 248.07 feet, S 11°54'16" E distant 142.72 feet, by the land of the Town of North Reading; thence S 53°55'50" W distant 2234.08 feet by State Route 125, being marked Map R-1 Parcel 36A containing 29.884 acres all as shown on plan entitled: "Plan of Land in Wilmington, Mass., Owned by the Town of Wilmington, Scale 100 feet to an inch, Sept. 7, 1983, Robert E. Anderson Inc., Reg. Professional Engineer, Reg. Land Surveyors, 178 Park Street, P.O. Box 177, North Reading, Mass., which plan is on file in the office of the Town Clerk;

subject to such terms and conditions as the Selectmen and/or Water and Sewer Commissioners may determine; and to authorize the Selectmen and/or Water and Sewer Commissioners to accept or release on behalf of the Town such access and egress rights of way as necessary to serve the above property; and further to set a minimum amount to be paid for such sale or lease; or do anything in relation thereo. (Petition)

Article 4. Motion, Nancy Bodenstein, "I move that we pass over article 4." Finance Committee had approved, Planning Board Approved. Motion to pass over was seconded and so voted

Article 7, was drawn next at 8:30 P.M.,
ARTICLE 7: To see if the Town will vote to amend the Official Map of the Town of Wilmington to show the full length of Marion Street, a distance of approximately one and four tenths of a mile; starting at a point of intersection of Burlington Avenue, Chestnut Street and Marion Street and following a more or less "U" shape to another point of intersection on Chestnut Street at the Baldwin Apple Monument; so that a building permit may be issued without the need of a Board of Appeal's action mandating the construction of the street. The layout of the full length of Marion Street appears on the Planning Board Zoning Map of November 1955; or do anything else in relation thereto. (Petition)

Motion: A. Daniel Gillis, I move that the Official Map of the Town of Wilmingfton be amended to show the full length of Marion Street, a distance of approximately (1.4) one and four tenths mile; starting at a point of intersection of Burlington Avenue, Chestnut Street and Marion Street and following a more or less "U" shape to another point of intersection on Chestnut Street at the Baldwin Apple Monument; so that a building permit may be issued without the need of a Board of Appeals action mandating the construction of the street. The layout of the full length of Marion Street appears on te Planning Board Zoning Map of Novemver 1955; or do anythin else in relation thereto. Finance Comittee , Approved, Planning Board disapproved. Motion was seconded and after much discussion an amendment was proposed from Bill Hooper of the Planning Board, "I move to amend the article to include oney the first 960 feet from Chestnut Street." This motion was seconded and lost by a voice vote. The main motion was then voted by standing vote. YES 491 NO 7

Article 6: was 3rd drawn:

Kline, Trs. to a point in the easterly sideline of Main Street; thence S 6°13'59" W distant 50.00 feet by said sideline to the point of beginning; shown as Part of Parcel 178 on Assessors' Map 44 and all as shown on plan entitled: "Subdivision Plan of Land on Main Street in Wilmington, Mass., Scale 1" = 160', June 15, 1982, Spartan Survey Service, 27 West St., Stoneham", which plan is on file in the office of the Town Clerk; or do anything in relation thereto.(Article by Petition)

Motion, Joseph Courtney, "I move that the Town vote to amend the Zoning By-Law and Zoning Map of the Town of Wilmington by voting to rezone from Residence 10 (R-10) District, Residence 20 (R-20) District and General Busines (GB) Distreictto all General Business (GB) the follwoing apacel of alnd described as in main motion with the exception of eliminating approximately 3.57 acres at the Northeast part of the parcel.. Alon with this change a lette was presented by Bernard J. Ristuccia Jr. stating that Wilmington Ford would pay for the installation of traffic lights at the intersection on Route 38. Motion was seconded, Finance Committee disapproved Planning Board Approved Zoning change requires 2/3s vote....was voted by a standing vote YES 55 NO 374 LOST

Article 5 was 4th drawn:

ARTICLE 5: To see if the Town will vote to accept the provisions of Chapter 653 of the Acts of 1982, relative to the granting of Real Estate Tax Exemptions under General Laws Chapter 59, Section 5, Clauses 37A and 41B, or to act in any other manner in relation thereto. (Board of Assessors)

Motion, Anthony E. Krzeminski, "I move that the Town vote to accept the provisions of Chapter 653 of the Acts if 1982, relative to the granting of Real Estate Tax Exemption s under General Law Chapter 59, Clauses 37A and 41B." Motion was seconded Finance Comittee Approved, Planning Board Approved Voice vote was taken and the Moderator declared it
Unanimously so voted

Article 1 was the 5th and last drawn at 9:45 P.M.

ARTICLE 1: To see if the Town will vote to appropriate a sum of money for constructing, orginally equipping and furnishing an addition or additions to the high school and for reconstructing, remodeling, rehabilitating and modernizing the present high school, to determine whether such appropriation shall be raised by borrowing or otherwise or to take any other action relative thereto. (Permanent Building Committee)

Marvin Weiner of the Permanent Building Committee made the MAIN motion, "
"I move that the sum of $6,500, 000 is hereby appropriate for constructing, originally equipping and furnishing an addition or additions to the high school and for reconstructing, remodeling, rehabilitating and modernizing the present high school, that to raise such appropriation the Town Treasurer with the approval of the Selectmen is hereby authorized to borrow the sum of $6,500,000 under and pursuant to Chapter 645 of the Acts of 1948 as amended and supplemented, or any other enabling authority, and to issue bonds or notes of the Town therefor, and further provided that no bonds or notes be issued hereunder until the Town votes to exempt principal and interest from the Proposition 2 1/2 limitations; and that a Special Election be called for November 22, 1983 contingent upon an affirmative vote at the Special Town Meeting, for the Purpose of obtaining the necessary override." Motion was seconded

Amendment #1 to Article 1, Dennis Volpe, Finance Committee, To see if the Town will vote to appropriate $315,000 for the detailed architectural design and cost estimate for constructing, originally equipping and furnishing an addition or additions to the high school, to determine whether such appropriation shall be expended prior to referendum approval to exempt principal and interest from proposition 2 1/2 levy limit. Motion seconded

Amendment #2 Dan Ballou
"I move that the sum of $6,500,000 be amended to read $7,250,000 and it be hereby appropriated for constructing, originally equipping and furnishing an addition or additions to the high school and for reconstructing, remodeling, rehabilitating and modernizing the present high school to include an expanded gym, that to raise such appropriation the Town Treasurer with the approval of the Selectmen is hereby authorized to borrow the sum of $7,250,000 under and pursuant to Chapter 645 of the Acts of 1948 as amended and supplemented, or any other enabling authority, and to issue bonds or notes of the Town therefor, and further provided that no bonds or notes be issued hereunder until the Town votes to exempt principal and interest from the Proposition 2 1/2 limitations; and that a Special Election be called for November 22, 1983 contingent upon an affirmative vote at the Spceial Town Meeting for the purpose of obtaining the necessary overrride." Motion seconded.

As Roberts Rules prevail, the larger amount, amendment #2 was taken first.
After much discussion pro and con, the amendment was approved
YES 232 to 130 NO So voted

Article 1 as amended was then voted, with 2/3s vote required a standing vote was taken and the vote was YES 280 NO 84 So voted

The Moderator told the voters that this vote would be contingent upon the outcome of the Special Town Election to be held November 22, 1983 at the High School Gymnasium.

The Moderator asked for a round of thanks to the Permanent Building Committee for the hours and hard work that had been put into this project, after which he asked for a motion to adjourn. Motion was made and seconded the time being 11:48 P.M.

There were five hundred seventeen (517) voters present and twenty-nine (29) non voters in attendance.

BONDING $7,250,000

Priscilla R.W.Lynch,
Town Clerk
Wilmington, Massachusetts

TOWN OF WILMINGTON, MASSACHUSETTS
SPECIAL ELECTION NOVEMBER 22, 1983

TO EITHER OF THE CONSTABLES OF THE TOWN OF WILMINGTON:

GREETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said town, you are hereby directed to notify and warn the inhabitants of the town qualified to vote in town affairs to meet and assemble at the High School Gymnasium, Tuesday the twenty-second day of November, A.D. 1983 at 9:45 o'Clock in the forenoon, the polls to be opened at 10:A.M. and shall be closed at 8:00 P.M. for the vote of Question #1:

QUESTION #1: Shall the Town of Wilmington be allowed to exempt the amounts required to pay for the bond issued in order to provide for constructing, originally equipping and furnishing an addition or additions to the High School and for reconstructing, remodeling, rehabilitating and modernizing the present High School to inclued and expanded gym?

"... the town-meeting ideal catches an important meaning of freedom and expresses a classic conviction of believers in democracy. The ordinary man may or may not be the best judge of his own interests, but if he does not exercise effective authority over matters that are in his immediate range of interest and competence, he may be a well-tended animal, but he will not be a free man. Freedom in the concrete, freedom as it is experienced in daily life, is the experience of having a hand in the determining of issues that touch the individual closely and intimately."
